SAGE TEA TURNS **GRAY HAIR DARK**

circuit court 75.00

IT'S GRANDMOTHER'S RECIPE TO BRING BACK COLOR AND LUS-TRE TO HAIR

That beautiful, even shade of dark glossy hair can only be had by brew-ing a mixture of Sage Tes and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray or streaked, just an application or two of Sage and Sulphur enhances its appearance a hundred fold.

Don't bother to prepare the mix-6.00 ture; you can get this famous old recipe improved by the addition of other ingredients for 50 cents a large bottle, all ready for use. It is called Wyeth's Sage and Sulphur Compound. 1.09 This can always be depended upon to

9.48 tre of your hair. Everybody uses "Wyeth's" Sage 3.00 and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes bea tifully dark and appears glossy and lustrous. This ready-to-use preparation is a delightful tollet requisite for those who desire dark hair and a youthful appearance. It is not intended for the cure, mitigation or prevention of disease.-Adv.
