NOSE CLOGGED FROM A COLD OR CATARRH

Apply Cream in Nostrils To Open Up Air Passages.

Ah! What relief! Your clogged nostrils open right up, the air passages of your head are clear and you can breathe freely. No more hawking, sniffing, mucous discharge, headache, dizziness—no struggling for breath at night—your cold or catarrh is gone.

Don't stay stuffy up! Get a small bottle of Dr. Williams' Cream Balm from your druggist now. Apply a little of this fragrant, antiseptic cream in your nostrils. Let it penetrate through every passage of the head; soothe and heal the swollen, inflamed mucous membrane, giving you instant relief. Dr. Williams' Cream Balm is just what every cold and catarrh sufferer needs. It's just what you need.

Big Waste of Life Is Made By Enemy

LONDON, March 27.—Commenting on the results of the German offensive the Daily Chronicle says:

"Assuming that the German losses are at least 150,000, the enemy has sustained a reverse, for he has not obtained a strategical success directly conducing to a decision, while he has lost 8 or 10 per cent of his effective force without similarly lowering the efficiency of the allies."

"This matter is of the greatest importance, for Germany at present is at the critical moment when the manpower pendulum is swinging in favor of the allies. No weakness at the Anglo-French junction has yet been disclosed, and the task before the ene-

my in the next days of the battle is more formidable than that already accomplished."

WASHINGTON, D. C., March 27.—Members of the allied military missions have declared that in the nature of the fighting on the west front the Germans must be losing at least 10,000 men a day. They made this deduction from the German plan of massed attack, the number of troops they are employing and the strength of the allied resistance.

The allied losses, it was declared, would be far less than those of the Germans, because they are fighting on the defensive.

Japanese Find Seaweed Substitute For Cotton

TOKIO, March 27.—The discovery of a practical substitute for cotton was announced recently at the annual session of the Federation of Marine Industries. The announcement was made by K. Hamada, vice president of the lower house of parliament, who said that the discovery was made in December in the Tokio Fibre laboratory in the course of experiments on seaweeds.

The variety of seaweed is known as sugamo or gomo guma. It abounds in Japanese waters, and hitherto has been used as a fertilizer. The method of extracting the fibre is simply to boil the weeds in lye and then in water mixed with rice bran, after which the released fibre is bleached. The

whole process is so simple as to be easily possible for fishermen and farmers living near the sea.

Mr. Hamada claims that the fibre in every respect is better than cotton.

Eat Less Meat

If Back Hurts

Take a glass of Salts to flush Kidneys if bladder bothers you

Eating meat regularly eventually produces kidney trouble in some form or other, says a well known authority, because the uric acid in meat excites the kidneys, they become overworked; get sluggish; clog up and cause all sorts of distress, particularly backache and misery in the kidney region; rheumatic twinges, severe backaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a

glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts cannot injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to keep the kidneys and urinary organs clean, thus avoiding serious kidney disease.—Adv.

Bolo Pacha Facing Court on His Trial for Treason

This is the first photograph to arrive in the United States of Bolo Pacha in court during his trial for treason. The picture shows him facing the court. He was convicted and sentenced to death. It was proved had used large sums thru American and Canadians to corrupt the French press, and that this money had come from Germany.

If you have a Standard fire insurance policy in a Standard company, you will not need to worry when the fire comes. See Chilcote. 7

HAVE ROSY CHEEKS AND FEEL FRESH AS A DAISY—TRY THIS!

Says glass of hot water with phosphate before breakfast washes out poisons.

To see the tinge of healthy bloom in your face, to see your skin get clearer and clearer, to wake up without a headache, backache, coated tongue or a nasty breath, in fact, to feel your best, day in and day out, just try inside bathing every morning for one week.

Before breakfast each day, drink a glass of real hot water with a teaspoonful of limestone phosphate in it as a harmless means of washing from the stomach, liver, kidneys and bowels the previous day's indigestible waste, sour bile and toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach. The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases and acidity and gives one a splendid appetite for breakfast.

A quarter pound of limestone phosphate will cost very little at the drug store but is sufficient to demonstrate that just as soap and hot water cleanses, sweetens and freshens the skin, so hot water and limestone phosphate act on the blood and internal organs. Those who are subject to constipation, bilious attacks, acid stomach, rheumatic twinges, also those whose skin is sallow and complexion pallid, are assured that one week of inside bathing will have them both looking and feeling better in every way.—Ad.

BAKER HOME GUARD GETS APPROPRIATION

BAKER, Ore., March 27.—An appropriation of \$500 for the home guard equipment fund has been granted by the city commissioners here. The action was taken as a precautionary measure by the city as its part in equipping the guardsmen. The County Court has promised \$1,500 as its share of the \$2,000 needed to uniform the men.
