## High School Notes

A large scale war map of the western front was recently purchased for the school library.

Efforts are now being made to secure Colonel Leader, who is in charge of military training at the University of Oregon, to deliver the commencement address.

A gold star has been placed on the high school service flag which represents Louis Tolle. Four new blue stars have been added, representing Rex and Roy LaPrarie, Roy Nelson and Henry Ketsdever. There are now forty-three stars on the flag, representing Klamath County high school boys now in the service.

The high school students are doing their share in selling tickets for the beautiful doll which has been donated by the Star Drug store to the Junior Red Cross.

Roger Torrey and Winifred McCormick have recently enrolled in Klamath County high school. Miss McCormick formerly attended school at Keno.

Within the next ten days the copy for the annual will be in the hands of the printer. This will be the best annual ever put out by the school. The pages this year are of a larger size than former issues.

Some very interesting stereopticon slides have been received from the University of Oregon Extension course. They were shown this morning at the assembly and the lecture was given by Mr. Bowman. The subject is the Civil War, and the slides are made from actual photos of Civil War scenes by the famous Civil War photographer, Brady.

All English classes in the school are studying the citizenship pamphlets supplied by the department of the Interior. The pupils are much interested in the work.

The girls of the cooking class served an Easter luncheon to their mothers today.

Last Thursday morning at assembly Mrs. Bratton gave some very enlightening readings as a part of the program.

The students of Klamath County high school have by contributions and work secured \$150 for the Junior Red Cross fund.

On Saturday, April 6th, a cooked food sale will be given by the high school girls at the Winnie Grocery company. At the same time a number of pieces made by the manual training boys will be sold. The net proceeds will go to the Junior Red Cross.

## Buy Him An Extra Suit for Easter

Even a man can make two suits last MORE THAN TWICE as long as one suit. Mending the little wears and tears before they get to be big ones can best be done while the suit is being "spelled" in service by another one.

And that, of course, GOES DOUBLE for boys.

By all means keep the boy supplied with an extra suit if you wish him to be kept well dressed with the greatest economy. We are showing an attractive line of well built suits for boys at \$5 to \$20.

## Resolutions of Sympathy

Whereas, The Great and Supreme Ruler of the Universe has, in his infinite wisdom, removed from among us, one of our worthy and esteemed neighbors, Elmer E. Hamilton; and, Whereas, The short but intimate relation held with him in the faithful discharge of his duties in this society makes it eminently befitting that we record our appreciation of him; therefore,

Resolved, That the wisdom and ability which he has exercised in the aid of our organization by his short services and contributions will be held in grateful remembrance.

Resolved, That the sudden removal of such a life from among our midst leaves a vacancy and a shadow that will be deeply realized by all the members and friends of this organization, and will prove a serious loss to the community and the public.

Resolved, That with deep sympathy with the bereaved relatives of the deceased we express our hope that even so great a loss to us all may be overruled for good by him who doeth all things well.

Resolved, That a copy of these resolutions be spread upon the records of Ewauna Camp No. 799, W. O. W., a copy printed in the local papers and a copy be forwarded to the bereaved family.
