Dearest Public:

I love you and you can't help yourself. And more, I am going to have my love radiated, so you can see it in the dark, so there—you little onion, you.

I am going to let you in on the ground floor.

No; there ain't no cellar underneath.

The only thing I want you to fall for is the bargains we have this week. It is said that figures don't lie.

The wax ones don't, and there is a reason.

There is considerable of it done at the sea shore in several ways.

Weather forecast: Clothes should be worn all this week; this is from the police book, page 9: "Those appearing without raiment will be pinched." If you come in and spend some of your bits I will do my "bit," and buy a bond tomorrow.

Hurry to my aid at 405 Main St. McHattan.
