

HUNS FIND STONEWALL IN FRONT

GEN. FOCH DECLARES "ALL WELL" AT FRONT

GERMANS STILL MAKE HARD BUT FUTILE EFFORTS TO BEND LINES AND REACH AMIENS. BATTLE ON 26-MILE FRONT

SLIGHT GAINS OF ENEMY EQUALIZED BY ADVANCE OF ALLIED TROOPS IN COUNTER ATTACKS. U. S. EXPENDITURE IS BILLION

Summary by Associated Press

On the anniversary of the United States entry to the war, the greatest battle of the conflict is raging. With their attack halted, the Germans are making strong but ineffectual efforts to break thru or bend the allied line back or to capture Amiens.

General Foch states that the tidal wave is broken. "All is well," he says, and expresses confidence in the future.

In the past two days the enemy gained only slightly on the thirty-eight mile front, and these gains were equalized partly by the allied advances.

The end of the year will find a million and a half Americans under arms. The war expenditure has been more than twelve billion dollars.

The landing of the Japanese at Vladivostok is declared to have no connection with the possibility of an armed intervention in Siberia.

LONDON, April 6.—The British have improved their positions south of the Somme somewhat by a counter attack. The Germans have made incessant attacks without success.

PARIS, April 6.—The German attacks along the French sector have ceased. There is violent artillery action, but no infantry.

LONDON, April 6.—The Germans at daybreak this morning attacked the little town of Corbie in the Valley of the Somme. The enemy advanced in dense waves and the outcome was unknown when the dispatch was filed. The main German thrust appears to be west of Vaire wood toward the principal Amiens road.

TROUBLE IS BREWING FOR MOB MEMBERS

MEN WHO PARTICIPATED IN ILLINOIS LYNCHING IN DANGER OF SEVERE TREATMENT AT THE HANDS OF THE LAW

COLLINSVILLE, Ill., April 6.—Applications for the arrest of five men reported to have been in the mob that lynched Robert Prager night before last by the coroner of Madison County, have been refused by four different justices of the peace.

District board members of the United Mine Workers have promised to issue a statement "at the proper moment," showing that the mob had information which caused it to take drastic action. The coroner will ask the United States attorney for the warrants.

Prager was a coal miner, and was lynched by a crowd of his fellows for alleged pro-German statements and derogatory remarks about President Wilson. It was declared after the hanging that nobody could be found who could repeat his remarks.

HENEY RESIGNS FROM BOARD

WASHINGTON, D. C., April 6.—Francis J. Heney has resigned as counsel from the Federal Trade Commission on the packing investigation. The officials said he had completed his work. He will return to California to campaign for the governorship. Mrs. Heney is already there directing the woman's movement in his behalf.

SECOND DRAFT ORDERS SOON

WASHINGTON, D. C., April 6.—The orders for the mobilization of the first large number of men for the second draft will go to the governors soon.

LABOR LEADER'S SENTENCE COMMUTED

WASHINGTON, D. C., April 6.—President Wilson will commute the sentence of Frank Moran, formerly president of the International Union of Structural Iron Workers, who is now in Fort Leavenworth serving a term for participating in the dynamiting of the Los Angeles Times building several years ago.

THIRTY TOWNS OVER TOP

PORTLAND, April 6.—Announcements of over subscriptions have been received from thirty Oregon towns.

BIG MEETING AT HOUSTON'S SUNDAY NIGHT

EPISCOPAL BISHOP WHO IS WELL KNOWN IN THIS CITY WILL ADDRESS UNION GATHERING ON TOPIC OF VITAL INTEREST

The entire city is invited to a union mass meeting to be held at the opera house on Sunday night, under the auspices of the Ministerial Association, at which time Bishop Robert Paddock of Eastern Oregon will deliver the address. He has spent a month at Camp Lewis, American Lake, and will tell of conditions there—the life of the boys, Christian influence at work among them, and other interesting matters. The Oregonian of Portland spoke a short time ago in highest terms of his address which had been delivered there.

STATE ROAD COMMISSIONER IS SELECTED

GOVERNOR WITHEYCOMBE PROMINENT EUGENE LUMBERMAN AS HIGHWAY OFFICIAL TO SUCCEED E. J. ADAMS

SALEM, April 6.—R. A. Booth, wealthy lumberman of Eugene, has accepted appointment by Governor Withycombe as a member of the state highway commission, to succeed E. J. Adams, whose term expired last Sunday, according to announcement made by the governor.

It was forecasted that the appointment would go to Booth if he would accept. Ever since Governor Withycombe has been in office he has desired to recognize Booth for the assistance he gave the governor when both were candidates for election in 1914. Booth, as candidate for the United States senate, was Withycombe's running mate on the Republican ticket.

INDUSTRIAL SLACKERS TO GO TO WORK

PLANS UNDER WAY BY DEPARTMENT OFFICIALS AT WASHINGTON TO PUT AN END TO LOAFING BY ABLE BODIED MEN

WASHINGTON, D. C., April 6.—A plan to utilize the draft machinery to put the industrial slackers to work prepared by the war and labor departments is now before the president.

Officials feel confident that the president will approve the new proposals. It is declared that the new plan, if adopted, would affect in some way the status of every registered man.

PARIS BOMBARDMENT RESUMED

PARIS, April 6.—The bombardment of Paris by long range guns was resumed here this morning.

JUDGE HANKS ANSWERS

Editor Herald—In addition to the saving of \$50,000 by the construction of a new court house, instead of completing the building in Hot Springs Addition, the taxpayers should not overlook the fact that \$20,000 has already been spent for street paving and cement sidewalks around the block on which the court house is now building a new court house. Reliable architects have estimated that after the court house in Hot Springs Addition should be completed an expenditure of at least \$40,000 would be necessary in order to put the grounds, streets and sidewalks in proper condition.

Another thing the people should keep in mind, that is that lots 1, 2, 3 and 8 of block 35, where the old court house now stands, and where the foundation is now being prepared for the new building, were donated to Klamath County upon the express condition that a court house should be erected and maintained on the property. Should the structure in the Hot Springs Addition be completed and used as the court house, these lots in block 35 would go back to the heirs of Quincy A. Brooks and wife under the terms of the deed.

The lots probably have a value of \$20,000, so in addition to the loss of the \$50,000 already mentioned, it would be necessary to include \$20,000 for paving and sidewalks on block 35, \$20,000 for loss of the lots donated by Quincy A. Brooks, and \$40,000 required for improvement of grounds, streets and sidewalks on the Hot Springs tract. This would involve a total loss of \$130,000. All I ask is that each taxpayer look into this matter for himself.

Very respectfully, MARION HANKS.

BIG FIRE AT KANSAS CITY

KANSAS CITY, Mo., April 6.—Three blocks of the wholesale district here have been ruined by fire, with an estimated damage of \$2,500,000. The source of the blaze has not been determined.

ADVERTISING SPACE DONATED

Twenty business men in the city of Klamath Falls have contracted for space in the Evening Herald which will be donated to stimulate the sale of Liberty Loan bonds during the drive now begun.

CITIZENS WHO HAVE REACHED THEIR FULL QUOTA AND OVER

- O. T. McKendree ..... \$1,000.00
Tyron & McKendree ..... 500.00

BIG DRIVE HAS BEGUN FAVORABLY IN COUNTY

FIRST ANNIVERSARY IS BEING CELEBRATED WITH QUIET BUT VERY EFFECTIVE WORK FOR UNCLE SAM

MOST RETURNS ARE INCOMPLETE, BUT SEVERAL PRECINCTS ARE KNOWN TO BE ALREADY NEAR THEIR QUOTAS

Although Klamath County is not celebrating the first anniversary of the Nation's entrance into the world war with bells and whistles, the people are demonstrating their patriotism in a far more effective manner by making a record breaking subscription to the Third Liberty Loan. Returns are coming in so fast to the local headquarters that Captain Chas. J. Ferguson is not able to make an accurate statement of the bonds so far subscribed, but it has been announced that Precinct No. 1 has already subscribed 90 per cent of its quota, Precinct No. 4 is very near the top, and No. 7 has 75 per cent in at 2 o'clock. It is too early yet to say where the other precincts stand, as a number of the workers have not yet reported the results of their efforts. From the present indications, however, it is safe to conclude that Klamath County will be placed in the blue column ere long. County districts are doing exceptionally well, it is declared.

The names listed below have been given by the precinct workers as having subscribed their full quota and rated in the blue column. There are, however, a large number of subscriptions which have been taken and which have not yet been turned in at headquarters. Those who have subscribed and are not listed may be assured that their names will appear as soon as turned in to headquarters.

"THE LIBERTY BOND IS VICTORY'S WAND"

—By H. E. Allen, Hillsboro

THEY ARE GIVING THEIR LIVES WILL YOU LEND YOUR DOLLARS

Cartoon by Foster. Pen by W.S. Kirkpatrick.

SUBSCRIBING for Liberty Bonds does not mean giving anything. It does not mean even sacrificing—unless you call it that to spend more needfully here and use more heedfully there. It means safe, sane, sensible, substantial INVESTMENT, backed by the best security in the world—our whole United States, and from which you will receive reasonable income in INTEREST. Compare this degree of patriotism with the kind that is taking our sons, brothers, husbands and fathers across the seas, to probable hardship and possible death. The balance is in their favor if you were to mortgage your entire financial future in order that they may be backed up with those supplies which represent the means for both PREPAREDNESS and PROTECTION. The third Liberty Loan is at hand. Don't wait to be personally solicited for your subscriptions. Go to your bank and VOLUNTEER YOUR DOLLARS.

Space Donated By THE GOLDEN RULE, Klamath's Greatest Store

New Service Station Opens Here Next Week

A new service station for automobiles will be opened in Klamath Falls on April 10th. The station, owned by Furnas & Lucas, will be on the corner of Sixth and Klamath. Distillate, kerosene, gasoline, heavy oils and tire accessories will be carried, and there will be an air hose for the convenience of the public. The distillate and gasoline pumps will be in the front of the building, which will measure 16x20 feet. It is being built by Chas. Surber.

Klamath Songsters Are Found Missing

The Liberty Chorus was scheduled to warble at the Liberty Loan meeting held at Mt. Laki last night. Part of it warbled and the other part did not. This was not because they had failed to practice sufficiently, but because Mr. and Mrs. Joe Brett, Miss Elisabeth Houston, Miss Josie Low and F. M. Upp thought that Mr. Brett could steer his Ford there in a hurry by taking a short road. The rest of the chorus, believing in the old adage of "the longest way round," failed to see Mr. Brett's crowd when they arrived at Mt. Laki. After waiting in vain for some time, Miss Parker, director of the chorus, had to take Miss Houston's place at the piano, and the program went on. W. F. Arant and C. A. Plath were assigned the duty of going after the missing crowd, and found them out on the road, about two miles beyond Altamont, trying to persuade "Ladie" to go. They finally succeeded in convincing her from her state of inebriation, and the tardy songsters then turned their tracks homeward, while Mr. Plath and Mr. Arant returned to Mt. Laki in time for the closing number.
