BIG MEETING AT HOUSTON'S SUNDAY

(Continued from page 1)

The Liberty Chorus and male quartet will furnish special music. This service will fit into the program of the Liberty Bond campaign.

Bishop Paddock is so well known in Klamath Falls that it is safe to conclude that the house will be packed to hear his address on this absorbing topic.

He will hold regular Episcopal service at the Odd Fellows hall at 11 o'clock tomorrow morning. All are invited.

As there is no regular celebration here today in honor of the anniversary of America's entrance into the world war, the meeting tomorrow night will be regarded, as such, also somewhat in the way of a jubilation in case the county is in a fair way to "go over the top" in the Liberty Loan drive, according to a statement made by the Bishop this morning.
