Belgian Boys at Work Near the Firing Line

AMSTERDAM, May 30.—From a letter of protest addressed by the Belgian deputies and senators to the German governor general in Belgium, it appears that forced labor is being applied more severely than ever before to the civil population, in spite of promises made a year ago. The adult male population having been exhausted, the Germans are now recruiting boys and old men. The letter of protest gives the names of 365 young boys from one city who are employed in unloading freight cars only a few miles behind the front. All these boys are under 16, and some of them are only 11 years old. On a single day, the letter says, 350 old men over 50 years, were taken from the same district. On their journey to the front they were locked in their cars for twenty-four hours without food.

Important Facts For Draft Registrants

Registration Day—Wednesday, June 5th, 1918. Who Must Register—Every man residing in the United States, whether citizen or non-citizen, who has reached the age of 21 years since Registration Day on June 5th, one year ago. Hours for Registration—From 7 o'clock a. m. to 9 o'clock p. m. on Registration Day, Wednesday, June 5th. Penalty for Failure to Register—Up to one year in jail. Sickness no Excuse for Not Registering—If too ill to appear before your local draft board to register in person, send some competent person to explain circumstances to the board and obtain registration card, with authority to fill it out. This card, after being filled out, must be returned to local board by your representative, or mailed to board with stamped self-addressed envelope for return of registration certificate. Absence no Excuse for Not Registering—Unavoidable absence from your home district will not excuse failure to register. If you must be unavoidably absent, go at once to local board nearest to place where you happen to be, explain circumstances, and registration card will be filled out by this board and given to you. Mail this card immediately, together with stamped self-addressed envelope for return to you of registration certificate, to your own local board. Do not delay, for your registration card must reach your home board by Wednesday, June 5th. Registration Certificate—Every man registered will be given a registration certificate. For your own protection, keep this certificate with you at all times, ready to show on demand; otherwise, you are liable to arrest on suspicion of having evaded registration. Soldiers and Sailors not to Register—The only 21-year-old men not required to register are those already in the military or naval service of the United States. But men 21 years old who have been discharged from the military or naval service must register. Britain's Most Famous Modern Fighter Dies

Charley Mitchell, once champion of England, and perhaps the most famous fighter she has produced since Jim Mace, is dead at 57 years of age. Mitchell, who seldom weighed more than 160 pounds, and was in reality a middleweight, fought John L. Sullivan in Madison Square Garden. He knocked Sullivan down, which few other fighters had done. He fought Sullivan a draw in thirty-nine rounds at Chantilly, France. Mitchell's career ended when Jim Corbett knocked him out in three rounds in their Florida bout. But for more than thirty years he has been the most conspicuous man connected with fighting in England.

At the Theaters

Captured by a band of desperate outlaws, a young American mining engineer and his bride are doomed to death, or worse. There appears no chance of escape or rescue, as they lie securely bound in the cabin, while the bandits sleep about a fire outside. The girl, however, with a valuable necklace, bribes one of the outlaws when he gets up to fix the fire, to loosen their bonds and promises they will effect their own escape. See how it is accomplished, at the Orpheus tonight in "The Fighting Trail."

Here is your chance to get a modern seven-room house on pavement at a sacrifice. It will pay you to investigate. Will either take small house as part payment or will take some Liberty Bonds. See Chilcote. 25

HAVE DARK HAIR AND LOOK YOUNG

NOBODY CAN TELL WHEN YOU DARKEN GRAY, FADED HAIR WITH SAGE TEA

Grandmother kept her hair beautifully darkened, glossy and attractive with a brew of Sage Tea and Sulphur. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this old-time recipe, improved by the addition of other ingredients, all ready to use, for about 50 cents. This simple mixture can be depended upon to restore natural color and beauty to the hair. A well known downtown druggist says everybody uses Wyeth's Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied. It's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and beautiful. This preparation is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.—Adv.
