SHASTA VIEW

The Shasta View Sunday school held a picnic Friday just north of J. L. Baileys. While the mercury registered 17 in the morning, by the time the tables were spread for dinner it was warm and sunny, and a most enjoyable day was spent by many besides the children. Rev. Allen and wife of Bonanza were present.

Henry Voss and son Reggie of White Lake visited at Bea Daniels Saturday. Mrs. Voss returned with her husband, Reggie remaining for a few days' outing.

Horace Mann, who has been spending some time with his uncle, J. L. Hale, returned to his home in Klamath Falls Saturday.

The young people of this vicinity gave a surprise party for Vera and Beulah Bennett one evening recently, some of the party arriving rather late, thanks to their saddle ponies, which are much more dependable than a balky car. Mr. Bennett and family have gone to Chiloquin to spend the summer.

Mrs. A. Turner, daughter Maude and Martin Christensen of Klamath Falls spent Sunday at H. E. Wilson's.

G. W. Myers and wife, from their ranch in California, spent Sunday at C. M. Kirkpatrick's.

Lester Wilson is spending a few days visiting at R. C. Shorts and other relatives near Klamath Falls.

Mrs. Nellie Burnette and Mrs. Jessie Kattenborn of Southern California, are visiting their mother, Mrs. Mary Garrison, and other relatives and friends in this vicinity.

Harry Wilson went to Klamath Falls Saturday and brought his car home "as good as new" after being in the hospital a few days for treatment, owing to its coming in contact with another car recently.

MIDLAND

A joint social was given at the Midland school house last Thursday by the Miller Hill and the Midland schools. A short program was given and ice cream and cake served after the program.

Mrs. J. D. Hooper and little daughter Opal were Klamath Falls visitors Saturday.

Mrs. Clara Fitzpatrick went to Ashland on Tuesday. She will not return until this fall.

Mr. and Mrs. Will Worden were in Klamath Falls Monday.

Edgar Furber is having some trouble in getting his pumps to work, but expects soon to overcome the trouble.

TO DARKEN HAIR APPLY SAGE TEA

LOOK YOUNG! BRING BACK ITS NATURAL COLOR, GLOSS AND ATTRACTIVENESS

Common garden sage brewed into a heavy tea with sulphur added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Just a few applications will prove a revelation if your hair is fading, streaked or gray. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get a 5-cent bottle of Wyeth's Sage and Sulphur Compound at any drug store all ready for use. This is the old time recipe improved by the addition of other ingredients.

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and after another application or two, your hair becomes beautifully dark, glossy, soft and luxuriant.

This preparation is a delightful toilet requisite, and is not intended for the cure, mitigation or prevention of disease.—Adv.

Big Eaters Get Kidney Trouble

Salts at first sign of Bladder irritation or Backache

The American men and women must guard constantly against kidney trouble, because we eat too much, and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out, they weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment, or you are obliged to seek relief two or three times during the night; if you suffer with sick headache or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad,

ROCK ISLAND, May 31.—Wage increases from 55 to 75 cents an hour, an eight-hour day, and time and a half for overtime, are the demands of the

shopmen on thirty-four big railroad system in the United States, according to statement issued here by S. W. Mullinix, superintendent of the division shops of the Chicago, Rock Island

and Pacific railway at Bilvix, Ill., near here.

The shopmen notified the federal railway administration of their intention to strike at noon today, unless the demands were agreed to, and in reply, Director General McAdoo asked the workers to withhold action pending a meeting of the war labor board, at which the demands of the men would be taken up.

According to Mullinix, the men are dissatisfied with the advance recently awarded them by the administration—from 53 to 55 cents an hour—and demand a flat rate of 75 cents.

Shop work has been virtually at a standstill at Bilvix till the announcement of the increase at Washington last Sunday, and it appears now that similar conditions have prevailed at other shops throughout the country.

No information was available as to whether the men will agree to return to work pending mediation, as suggested by Mr. McAdoo.

ORDER YOUR FUEL WEEK ANNOUNCED

GOVERNOR TO ISSUE PROCLAMATION CALLING ON STATE RESIDENTS TO PUT IN THEIR FUEL SUPPLY NEXT WEEK

PORTLAND, May 31.—Governor Withycombe is expected to issue a proclamation shortly urging Oregonians to observe June 3 to 8 as "Order-Your-Fuel Week." The national fuel administration is asking civic bodies to take up the matter, in order that data may be obtained as to distribution and production of fuel for the coming winter. Heatless days may be avoided if fuel is ordered early, according to officials. Otherwise, a fuel shortage may have to be faced. Women's clubs and other organizations are asked to bring the situation to the attention of the public.
