WAR GARDENS PLANTED  
NEAR ARCTIC CIRCLE

Dawson, Y. T., May 15—(By Mail)—"Win-the-War" gardens are being laid out in Dawson, 160 miles south of the Arctic Circle, by the Yukon Order of Pioneers, composed of the "sour doughs" of the territory. It is expected Yukon farmers will produce enough potatoes to meet local demands.

TURN HAIR DARK  
WITH SAGE TEA

IF MIXED WITH SULPHUR IT DARKENS SO NATURALLY NO BODY CAN TELL

The old-time mixture of Sage Tea and Sulphur for darkening gray, streaked and faded hair is grand-mother's recipe, and folks are again using it to keep their hair a good, even color, which is quite sensible, as we are living in an age when a youthful appearance is of the greatest advantage.

Nowadays, though, we don't have the troublesome task of gathering the sage and the mussy mixing at home. All drug stores sell the ready-to-use product, improved by the addition of other ingredients, called "Wyeth's Sage and Sulphur Compound" for about 50 cents a bottle. It is very popular because nobody can discover it has been applied. Simply moisten your comb or a soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, but what delights the ladies with Wyeth's Sage and Sulphur Compound, is that, besides beautifully darkening the hair after a few applications, it also produces that soft luster and appearance of abundance which is so attractive. This ready-to-use preparation is a delightful toilet requisite for those who desire a more youthful appearance. It is not intended for the cure, mitigation or prevention of disease.—Adv.

Yale Woman  
Professor Taken  
As Alien Enemy

Dr. Rhoda Erdmann, a German, who has been lecturing at one of the schools at Yale, has been taken in charge by federal officials as an alien enemy. She was said to be a very learned woman, an authority in some aspects of biology, equal to any in this country.

"TRENCH MOUTH" IS  
NEW WAR DISEASE

London, June 17.—Trench mouth is one of the war diseases which is engaging the attention of British army doctors. Cases of the disease have been for some time under observation and treatment in both the British and French armies. It appeared first in Germany, where the experts attributed it for a long time to their war bread. Later observations indicated that it arose from a prolonged diet of canned food.

FISHERMEN TO USE  
CONCRETE BOATS

Prince Rupert, B. C., June 17.—Concrete boats may be used Canadian and Alaskan fishermen in the North Pacific. At Seal Cove, near here, a shipyard is building a small concrete boat, the first of its kind constructed on northern waters. The boat is to be a small gas engine launch, but its builders hope to turn out larger craft later on.

LUMBERJACKS PINK  
FOR "DIVERSION"

The parties who patronized the China Noodle house and refused to pay for their noodles and hit the Chinaman in the eye when he attempted to compel payment, wound up before Police Judge Leavitt and paid a fine of \$15.00 each for their little diversion.

Kidney Trouble

Take Salts at first sign of Bladder irritation or Backache

The American men and women must guard constantly against kidney trouble, because we eat too much, and our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out, which weakens the eliminative tissues and the result is kidney trouble, bladder weakness and a general decline in health. When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment, or you are obliged to seek relief two or three times during the night; if you suffer with sick headache or dizziness, nervous spells, acid stomach, or you have rheumatism, when the weather is bad, get from your pharmacist about 10 ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days, and your kidneys will then act free. This famous salt is made from the purest grapes and lemon juice, combined with lithium and has been used for generations to flush and cleanse clogged kidneys; to neutralize acids in the urine so it no longer is a source of irritation, thus ending bladder disorders. Jad Salts is inexpensive, cannot injure, makes a delightful after-dinner water beverage, and relieves every home, because nobody can make a mistake by having a good kidney flushing any time.—Adv.
