

Use of Sugar Must Now Be Curtailed

Portland, Ore., June 18.—More face the situation squarely as loyal citizens. Federal Food Administrator W. B. Ayer announced on June 13 that until further notice all retailers will be required to limit their sales of sugar for domestic purposes to two pounds at a time in the city, and to five pounds at a time to rural customers in their use of sugar are urged to

for domestic and canning purposes, for which provision has been made so that housewives may obtain proper supplies upon signing a certificate to the government affirming that she will not use the sugar so purchased for any other purpose than canning or preserving.

At the Theaters

Corsica, the little island in the Mediterranean, which gave birth to the greatest military genius of the world, Napoleon Bonaparte, is the historic background for "To the Death" the five-act Metro wonderplay starring Mme. Petrova, which will be seen at the Orpheus theater on Tuesday and Wednesday.

Great pains have been taken and no amount of expenditure has been spared to reproduce with absolute fidelity the island's wonderful scenes of rare natural beauty. The play will show beautiful gardens, shady lanes in cool groves in all their natural beauty. Besides its intensely dramatic action, "To the Death," therefore, presents an instructive feature in travel photography.

On the left is Gaston V. Lowe, twenty years old, who enlisted at Kansas City, Mo., in 1917. He is now on duty at Hampton Roads Fleet Operating Base. On the right is Adolph L. Lowe, 77 years old, who served in the navy from 1861 to 1885. He re-entered the service May 29, 1917 as carpenter's mate. Adolph L. Lowe, who is sure he is the oldest man serving in the navy, called on Secretary Daniels a few days ago, and was warmly welcomed by the head of the navy department.

that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect.

But brewing at home is messy and out-of-date. Nowadays, by asking at any drug store for a 50 cent bottle of "Wyeth's Sage and Sulphur Compound," you will get this famous old preparation, improved by the addition of other ingredients, which can be depended upon to restore natural color and beauty to the hair.

A well known downtown druggist says it darkens the hair so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it, and draw this through your hair, taking one strand at a time. By morning the gray hair disappears, and after another application or two, it becomes beautifully dark and glossy. Wyeth's Sage and Sulphur Compound is a delightful toilet requisite for those who desire a more youthful appearance. It is not intended for the cure, mitigation or prevention of disease.—44v.

Schooner Sunk By Submarine, Her Master, and Glimpse of U-Boat Like One Off Coast

The schooner Edward H. Cole, 1791 tons, owned by Crowell & Thurlow of Boston, of which Captain H. G. Newcomb was the master, was sunk the night of June 2 by one of the German submarines fifty miles off Barnegat on the Jersey coast. She was bound from New York to the Caribbean for sugar. The picture of the superstructure of a German submarine, such as believed attacked the Cole, is here given. These are powerful vessels with a six-inch gun mounted fore and aft.
