WOULD RAISE WAR PORK

COUNCIL ASKED TO AMEND ORDINANCE SO FORKERS CAN BE KEPT WITHIN THE CITY LIMITS.

A delegation attending council meet Monday night asked to have the pig ordinance so modified that residents in isolated section of the city could respond to Uncle Sam's call for more people to raise pork. It was pointed out that there are hundreds of acres within the city limits without a house and that persons living in such sections could raise pigs without offending the nostrils of their neighbors as well as if the lines of the city did not take in that section. Besides pigs do not make a breeding place for flies as much as horse barns. The council was disposed to look kindly upon any attempt to assist in the production of pork and sympathized with those who found themselves in a position where they would violate the city ordinance by so doing. It was suggested that the ordinance could be winked at and Police Judge Leavitt was asked if that would embarrass the judicial department of the city. The accommodating judge did not think it would.

Just at this time it dawned upon Chief executive Crisler that the city administration was bordering on encouraging the violation of one of its ordinances and hurried on to the next order of business without settling the matter. The industrious residents who wanted to raise pigs had to be contented and left feeling uncertain as to whether or not he would be arrested if he attempted to keep a pig within the city limits.

Merrill Notes

Clay Wilson visited Klamath Sunday and Monday.

Mrs. Ethel Howell was here from Klamath Falls Sunday visiting old friends.

Haary Mitchell and George Mathews were here Monday night of last week enroute to the Mitchell ranch in the Oklahoma country with a band of cattle.

E. G. Cherryman is here from the county seat. He is employed in Martin Bros. flouring mill.

Walter Purdy is suffering with a broken arm as the result of being kicken by a horse.

We do not know what commerce after the war but we do know that a liberty bond and other U. S. government securities will be sound and secure. Every dollar loaned the government now is a dollar saved for the time when peace comes. With their savings invested in these sound securities, the American people will be well prepared to meet the problems that peace will bring. It is a species of insurance for that day.

American Soldier Finds His Lost Brother Among "Blue Devils" Sent to United States

Their parents left France for the United States. Rene was brought with them, but Marcel remained behind with relatives. Rene joined the American Army and was at the New York armory when the "Blue Devils" were on review. He heard the roll call in French and heard his brother's name, thus they were united.

HEAVY MEAT EATERS HAVE SLOW KIDNEYS

RAT LESS MEAT IF YOU FEEL BACKACHE OR HAVE BLADDER TROUBLE

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well known authority. Meat forms uric acid, which excites the kidneys, they become overworked from the strain, get sluggish and fail to filter the waste poisons from the blood, then we get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts or if the urine is cloudy, offensive, full of

sediment, irregular of passage or attended by a sensation of scalding, stop eating meat and get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast and in a few days your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder weakness.

Jad Salts is inexpensive, and cannot injure; makes a delightful effervescent lithia water drink which every one should take now and then to keep the kidneys clean and active and the blood pure, thereby avoiding serious kidney complications.—Adv.
