**MANY RECENT GIFTS MADE TO RED CROSS**

A city lot donated by W. T. Shive, a diamond ring by a person whose name is withheld, a gold medal presented by Mr. Nelson of Keno, and a fine patch-work quilt given by Mrs. Alice Chase and Mr. William Pliny of Puckett's camp, are gifts recently presented to the Red Cross society by patriotic and generous citizens of this county.  
 It is the intention of the board of managers of the local society, to raffie these gifts off to secure funds to carry on the work, but in view of the many raffles that have been conducted by the society within the last few weeks, it has been decided best to postpone their disposition until a little later.

**Local G. A. R. Wants Immigration Regulated**

At the June meeting of the F. B. Sprague Post No. 46, G. A. R., the following resolutions were presented and adopted.

Whereas, The guiding principles of the Grand Army of the Republic are loyalty to the government and the preservation of democracy, as guaranteed by the Constitution, and

Whereas, Any propaganda proving a menace to said cherished principles demands, and should receive the united action of all loyal persons in an effort to safeguard the welfare of the government, and

Whereas, Our government is confronted by hordes of foreign born persons, aided and encouraged by disloyal native born Americans, engaged in a gigantic effort to defeat the cause of democracy, and

Whereas, Under present regulations governing the admission of foreign-born persons, this condition may possibly continue after the close of the present war, therefore be it

Resolved, That F. B. Sprague Post No. 46, Grand Army of the Republic, Department of Oregon, looking toward a united citizenry, hereby earnestly demand that the congress of the United States promptly enact such laws and regulations as shall eliminate all immigration which will not prove a source of strength to the Republic in times of stress; and, further, that all aliens belonging to social or political organizations which tend in any way to subvert our democratic government as typified by the constitution and the laws of our country, be deported, and that all others adhering to such organizations be forever disfranchised.

Resolved, That no foreign-born person shall be permitted to take government land, or be privileged to vote until he shall have taken out his final papers and become a full citizen.

Resolved, That copies of these resolutions be sent to the various posts of the Grand Army of the Department of Oregon, to the Department Encampment when it shall meet at Albany, that said encampment be requested to transmit the same to the National Encampment when it shall meet at Portland, with such recommendations as said encampment may deem wise, and that said National Encampment take the necessary steps to properly present them to the congress of the United States.

Resolved, That as this is a matter of vital importance to all loyal persons, we solicit the press of the state to publish these resolutions with such endorsement as the subject deserves.

O. A. STEARNS, Adjutant.

**BUSHEL WHEAT KEEPS SOLDIER UNTIL HARVEST**

Do you know that every bushel of wheat now saved means the support of a soldier on the battle line until the next harvest? As no soldier can live without food, every bushel of wheat is the actual equivalent of a fighting unit. The moral is clear. We must supply soldiers. But it is useless to supply the fighters themselves unless we can also supply the wherewithal upon which the soldier lives. The number of men we can put in the field is in direct relation to the number of men we can feed in the field. Will you support a soldier until next harvest?

**SAVES WOMEN FROM TORTURE**

Put a few drops on a touchy corn, then lift corn out with fingers

Your high heels have put corns on your toes and calluses on the bottom of your feet, but why care now?

For a few cents you can get a quarter ounce of the magic drug freezone recently discovered by a Cincinnati genius.

Apply a few drops upon a tender, aching corn and instantly, yes immediately, all soreness disappears and shortly you will find the corn so loose that you lift it out, root and all, with the fingers.

Just think! Not one bit of pain before applying freezone or afterwards. It doesn't even irritate the surrounding skin.

Hard corns, soft corns, or corns between the toes, also hardened calluses on bottom of feet just seem to shrivel up and fall off without hurting a particle. It is almost magical. It is a compound made from ether, says a well known druggist here.

**FEW FOLKS HAVE GRAY HAIR NOW**

DRUGGIST SAYS LADIES ARE USING RECIPE OF SAGE TEA AND SULPHUR

Hair that loses its color and lustre, or when it fades, turns gray, dull and lifeless, is caused by a lack of sulphur in the hair. Our grandmothers made up a mixture of Sage Tea and Sulphur to keep her locks dark and beautiful, and thousands of women and men who value that even color, that beautiful dark shade of hair which is so attractive, use only this old-time recipe.

Nowadays we get this famous mixture, improved by the addition of other ingredients by asking it any drug store for a 50-cent bottle of "Wyeth's Sage and Sulphur Compound," which darkens the hair so naturally, so evenly, that nobody can possibly tell it has been applied. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning the gray hair disappears; but what delights the ladies with Wyeth's Sage and Sulphur Compound is that, besides beautifully darkening the hair after a few applications, it also brings back the gloss and lustre and gives it an appearance of abundance. Wyeth's Sage and Sulphur Compound is a delightful toilet requisite to impart color and a youthful appearance to the hair. It is not intended for the cure, mitigation or prevention of disease.—Adv.

**Marines' Fight in France Brings Big Crowds to Flist**

The hard fighting of the United States Marines in the battle for Paris has aroused the youth of the country to such an extent that hundreds more have applied for enlistment. This photograph shows a scene in one New York City recruiting office. One of those spurred to enlist was Richard Cleveland, son of the late president, who has given up his studies at Princeton to go to France as a private.

**Eat Less Meat If Back Hurts**

Take a glass of Salts to flush Kidneys if bladder bothers you

Eating meat regularly eventually produces kidney trouble in some form or other, says a well known authority, because the uric acid in meat excites the kidneys, they become overworked; get sluggish; clog up and cause all sorts of distress, particularly backache and misery in the kidney region; rheumatic twinges, severe backaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.  
 The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to stimulate clogged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so it no longer irritates, thus ending bladder troubles.  
 Jad Salts cannot injure anyone. It makes a delightful effervescent mineral water drink which millions of men and women take now and then to keep the kidneys and urinary organs clean, thus avoiding serious kidney disease.—Adv.
