

Annual Report of Klamath Red Cross

Chairman of Klamath County Chapter of This Great Institution Tells of Work and Accomplishments of Year Just Closed. Busy and Successful Year Is Described

It was deemed wise to secure a man who had actually served in Europe to come to Klamath Falls and deliver a lecture here so that he might bring us face to face with the realities of the war, as no one from the front had visited Klamath and

we felt his lectures were sure to be an inspiration. We were extremely fortunate in securing Sergeant "Doc" Wells, whom we hope most of you heard and enjoyed. The lectures also netted a profit of \$258.80, after donating \$100 to

the Junior Red Cross to help them in this work.

The Junior Red Cross was established December 8, 1917, Mr. C. R. Bowman being made chairman of this branch and the following officers were elected:

Miss Edna Wells, secretary, R. H. Dunbar, Miss Mable Mears, Geo. A. Hayden, Mrs. Golden Lincoln, directors.

This branch now has over 1500 members and has shipped 80 complete infant layettes, each layette consisting of the following:

2 dresses, 1 jacket, 3 brassieres, (mullin), 3 brassiers (flannel), 3 brassieres, (cotton flannel), 1 cape with hood, 2 pair booties, 2 woolen blankets, 3 flannel binders, 12 napkins, 1 knitted or crocheted hood, 1 bag of sundries.

Besides the layettes they have shipped: 60 knitted wash cloths, 15 ladies woolen dresses, 25 ladies' woolen shoulder shawls, 3 piece quilts, 6 pair knitted socks, 40 comfort pillows, 10,000 gun wipes, 4 checker boards, 1 box dominoes, 25 joke books.

Extras—12 infants' dresses 12 knitted or crocheted hoods, 1 dozen pairs of booties, 1 dozen dish towels.

We feel that the Juniors have made a most creditable showing and that their officers and members are to be heartily congratulated.

Our next undertaking was the Second Red Cross Drive. This drive was placed in the hands of H. D. Mortenson by the board of managers. Our quota was \$8,500, and the result of the drive was \$19,228.59, or two and one-half times the amount asked for. Of this amount, one-fourth is retained by the Klamath Chapter.

It may be well to give in a general way a record of our financial activities, a report of which will be rendered in detail by our treasurer. My figures may vary slightly from his, as they were obtained ten days prior to the closing of the books. They will also include money sent directly to the National Chapter and not put thru his books.

The total collected for the year was \$39,519.73, of which \$36,946.73 was cash, and \$2,573.00 was in pledges from the last drive, which are now coming due. Our expenditures have been:

\$2,618.50 remitted to National Chapter by our treasurer; \$2,140.50 remitted to National Chapter by W. O. Smith; \$6,815.17 remitted to the National Chapter by Leslie Rogers; \$12,499.19 remitted to National Chapter by John Siemens; \$24,073.36 being the total remitted to the National Chapter; \$902.08 spent for workroom expenses, freight and express on goods and on garments sent to the supply station, etc. \$4,315.64 spent on materials; Total \$23,291.08. Leaving on hand approximately \$3,855.00 in cash, and \$3,573.00 in pledges to be collected.

In addition to the above, we have on hand a considerable amount of goods, per inventory attached—all paid for and covered by insurance. The price of these goods has advanced materially, so that a handsome saving has been made on these purchases.

During the year we have secured a total of 5,432 members and adding the 1,500 Junior members, brings our Red Cross membership up to 6,932 for Klamath county. I wish to acknowledge with keen

and deep appreciation the generosity of the Klamath county people. I wish that I might mention them all for they are legion. Particularly prominent among those who have rendered continual contributions towards the maintenance of our work rooms are: Mr. Syd Evans, Mr. Charles Worden, The California, Oregon Power company, The Western Transfer company, The White Pelican Hotel, The Seehorn Wood company, all the box factories, Mr. Batteries, Mr. Eskelson, Mr. Peyton, and Mr. Hulse.

I believe that the above sets forth most of the activities of your board of managers. In closing, I wish to thank you for the privilege afforded me of helping even in a small way in this magnificent humanitarian society.

JOSEPHINE K. MORTENSON, Chairman Klamath County Chapter.

MRS. BRADLEY SAYS IT SAVED HER LIFE

"I CAN HARDLY FIND WORDS TO EXPRESS MY GRATITUDE FOR TANLAC," SHE SAYS

"I have not only gotten back all the weight I lost while sick, but I am actually heavier now than I have ever been," said Mrs. Lucy Bradley, residing at 2329 Eli Ave., Seattle, Wash., recently, in one of the most remarkable statements yet published in connection with the master medicine in this vicinity.

"I had suffered from stomach trouble," continued Mrs. Bradley, "until I was scarcely more than a frame of skin and bones. One day about three years ago, after eating some strawberries, I was taken with an attack of acute indigestion, and was down in bed for some time unable to move. Beginning from that time my stomach was in such a bad fix that everything I ate would ferment, causing gas, shortness of breath and fearful pain. There was a pain right thru my heart that couldn't have hurt much worse if I had been stuck with a knife, and several times I thought I would surely die. I just kept losing weight and got so weak I couldn't walk across the room. I was forbidden to eat anything except liquid. I tried drinking sweet milk and even that was like poison to me. I suffered a great deal with pains in the back and hardly know what sleep was."

"We were living in St. Louis at this time, and a friend of ours had gotten such splendid results from Tanlac that my husband begged me to take it. I refused for a time, as I had no faith in it to help me, but I kept getting worse, and my husband insisted. So I consented to try it and when he brought me my first bottle I weighed only 110 pounds and was almost frantic with suffering. Now I can hardly find words to express my gratitude, for I really don't believe I would be here today if it

All "Non-Productive" Occupations Listed

Portland, July 3.—A special circular just issued by the war department for the guidance of local boards in enforcing the "work or fight" regulations, clears up all doubtful points as to what constitutes "non-productive occupations or employments."

The "work or fight" regulations became effective July 1. They are to be enforced to the letter. Men having deferred classifications but engaged in non-productive work or idling, will be promptly re-classified into Class 1 if they do not engage in productive occupations when directed to do so by their local boards.

Following are the regulations defining what registrants are to be considered by local boards as engaged in non-productive occupations or employments, and following each section, in parentheses, the official interpretation of points as to which doubt might arise:

(a)—Persons engaged in the serving of food and drink, or either, in public places, including hotels and social clubs.

(Does not include managers, clerks, cooks, or other employes unless they are engaged in the serving of food and drink, or either.)

(b)—Passenger elevator operators and attendants, and door men, foot men, carriage openers and other attendants in clubs, hotels, stores, apartment houses, office buildings and bath houses.

(The words "other attendants" include bell boys, and also include porters, unless such porters are engaged in heavy work.)

(c)—Persons, including ushers and other attendants engaged and occupied in connection with games, sports and amusements, except actual performers in legitimate concerts, operas, or theatrical performances.

(Includes in addition to ushers and other attendants, all persons engaged and occupied in games, sports and amusements, except actual performers in legitimate concerts, operas, or theatrical performances.)

(d)—Persons employed in domestic service.

(Does not include public or private chauffeurs, unless they are also engaged in other occupations or em-

ployments defined by these regulations as non-productive.)
(e)—Sales clerks and other clerks employed in stores and other mercantile establishments.
(Does not include store executives, managers, superintendents, nor the heads of such departments as accounting, financial, advertising, credit, purchasing, delivery, receiving, shipping, and other departments; does not include registered pharmacists employed in wholesale or retail drug stores or establishments, and does not include traveling salesmen, buyers, delivery drivers, electricians, engineers, carpet layers, upholsterers, nor any employes doing heavy work outside the usual duties of clerk.)
(The words "sales clerks and other clerks" do include the clerical force in the office, and in all departments of stores and mercantile establishments.)
(The words "stores and other mercantile establishments" do include both wholesale and retail stores and mercantile establishments engaged in selling goods and wares.)

SUMMONS

No. 985, Equity.

In the Circuit Court of the State of Oregon, for Klamath County:

Aileen Dee Johnson, Plaintiff, vs W. Paul Johnson, defendant.

To W. Paul Johnson, defendant.

In the name of the State of Oregon you are hereby required to appear and answer the complaint filed against you in the above entitled suit on or before the 7th day of August, 1918, that being the day of the last publication of this summons, and the last day within which you are required to answer, as fixed by the order of publication of this summons.

If you fail to appear and answer, the plaintiff will apply to the court for the relief demanded in said complaint.

Said suit is brought to dissolve the bonds of matrimony existing between you and plaintiff, and for the custody of one child, a girl, named Aileen, six years old, the issue of said marriage.

Said suit is based on the grounds of habitual gross drunkenness on the part of defendant, continued for more than one year prior to the filing of said complaint, such drunkenness being contracted since said marriage.

This summons is published in the Evening Herald, a daily newspaper of general circulation, printed and published in the City of Klamath Falls, Oregon, by order of the Honorable D. V. Kuykendall, judge of said court, dated June 25, 1918, the first publication to be made on the 26th day of June, 1918.

C. F. STONE, Attorney for Plaintiff.

Tasteless, Colorless, Odorless

Constipation comes from imperfect elimination. The original cause, of course, is over-eating, worry, insufficient exercise, concentrated foods and other modern evils.

The best way to help Nature lubricate the intestines is by using Stanolax.

Stanolax has none of the disagreeable features of old-time remedies. Stanolax is not a cathartic. It contains no harsh nor habit-forming drugs. It is entirely mechanical in action.

A child or an invalid may take it—for there is not the slightest physical strain—no violent reaction—no weakening.

By using Stanolax you aid, instead of weaken, the muscular action of the intestines. You forestall the collection of poisons. And you save yourself from Constipation's allied ills. One bottle of Stanolax is convincing.

Scenes and Gains of Three Great German Drives This Year

In pushing toward the English channel cities and Paris the Germans have this year launched three great drives. The first was toward Amiens between the points on the map B and C. The beginning of this was March 21.

The second great offensive, directed toward the coast ports, beginning April 9, is indicated between the letters A and B.

The "Aisne offensive" or the "Battle for Paris," as some have called it, raged between the points marked D and E, and began on May 27.

The present German thrust is between Montdidier and Noyon, and is indicated on the map by the heavy black arrows.
