OUR SERVICE FLAG

We want a place for our Service Flag, For the Service of America, We looked in vain to find a place, In all the world there wasn't a space.

So we borrowed the sky and hung it wide Over the world from side to side, And when he world is dark at night Our stars are shining clear and bright.

They tell the world as they glow and gleam, While other nations may pause to dream, That America sends from her treasure store Millions of men and will send more.

So many are going—that is why For our Service Flag we borrowed the sky— Placed it on high, it never shall drag, God made America's Service Flag.
