RED CROSS KNITTING CLUB BUSY

The Red Cross Knitting club met with Mrs. R. E. Wattenberg at the home of Mrs. Jas. McClure, 309 S. Riverside, Wednesday, July 10.

About 35 of the ladies were present, all of whom spent the afternoon industriously knitting socks for the Red Cross. At each meeting new beginners are started out, and it is expected a great deal can be accomplished thru the medium of the club. A great deal of enthusiasm is shown and each member seems anxious to do her bit.

The president, Mrs. Wattenberg, introduced Miss Hortense Greffox, who entertained the ladies with an account of her experience while in France, at the outbreak of the war. Her talk was very interesting as well as instructive.

A letter from one of the soldier boys was read and greatly enjoyed.

The next meeting will be held at the home of Mrs. C. B. Clendenning, 1141 East street, Wednesday, July 17.

LIFT OFF CORNS!

Doesn't hurt at all and costs only few cents

Magic! Just a drop of Freesone on that touchy corn. Instantly it stops aching, then you lift the corn off with the fingers. Truly! No humbug!

"I can't say that I've actually been ill or had any special sickness, but for some time past I have been going down hill. This has shown itself decidedly in my face, which had gotten very thin. My appetite had fallen off and I didn't think I was getting the proper nourishment from my food. To sum the whole thing up, I felt that my system was becoming all run down and I needed something to build me up.

"After reading the high endorsements of Tanlac, I tried it, and it seems to be just the thing I needed. I am greatly improved in every way. My face is filling out, my appetite is fine, and I enjoy what I eat. I am ready for work all the time and don't tire out quickly like I did. At the rate I'm gaining it won't be long until I will be back to my old weight, 154, and I know from what it has done for me, that Tanlac deserves all the praise that is given it."

Tanlac is sold in Klamath Falls by Star Drug Co.

SEATTLE BUSINESS MAN SAYS TANLAC DESERVES PRAISE

PROPRIETOR OF BIG PRINTING HOUSE / MAKES A STRONG STATEMENT

Like wildfire the name of Tanlac is sweeping the whole continent from coast to coast, and from the Gulf of Mexico to the Great Lakes. Well known men and women from all parts of the United States and Canada are testifying daily to the extraordinary merits of the preparation, until it is now the most widely-talked-of medicine in the world.

F. H. Jenkins, proprietor of the Fox Printing Company, 3087 Arcade Building, Seattle, Washington, says: "I have already gained several pounds in weight since I began taking Tanlac and am still gaining all the time, but the best part of my wonderful improvement is in my feelings.

"I can't say that I've actually been ill or had any special sickness, but for some time past I have been going down hill. This has shown itself decidedly in my face, which had gotten very thin. If Backachy or Kidneys Bother

Eat less meat, also take glass of Salts before eating breakfast

Uric acid in meat excites the kidneys, they become overworked; get sluggish, ache, and feel like lumps of lead. The urine becomes cloudy; the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys clog you must help them flush off the body's urinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney region, you suffer from backache, sick headache, dizziness, stomach gets sour, tongue coated and you feel rheumatic twinges when the weather is bad.

Neglected Men

And the wives and mothers of others will appreciate the complete attention paid to details that go into the construction of our clothing. The buttons are on to stay. The seams and stitches will hold during the life of the garment. The workmanship is 100 per cent perfect. The style and price is right—that is a foregone conclusion.
