HAVE DARK HAIR AND LOOK YOUNG

NOBODY CAN TELL WHEN YOU DARKEN GRAY, FADED HAIR WITH SAGE TEA

Grandmother kept her hair beautifully darkened, glossy and attractive with a brew of Sage Tea and Sulphur. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this old-time recipe, improved by the addition of other ingredients, all ready to use, for about 50 cents. This simple mixture can be depended upon to restore natural color and beauty to the hair.

A well known downtown druggist says everybody uses Wyeth's Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simplyampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and beautiful. This preparation is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.—Adv.

CONCERT FOR ARMENIANS IS GIVEN TONIGHT

ENTERTAINMENT FOR WHICH GREAT PREPARATION HAS BEEN MADE WILL BE GIVEN AT HOUSTON'S TONIGHT

Probably few entertainments have been given by local talent in Klamath Falls in which the intense preparation has been made as on the concert to be given by the Musical Study club this evening at Houston's opera house.

The fact that this concert is to be given entirely for the benefit of war-stricken sufferers of Armenia, whose terrible persecution at the hands of the Turks and Huns has made the whole world shiver with horror, is alone enough to bring out a large crowd. Those who attend, however, will not only have the satisfaction of knowing that their admission money is going for the aid of one of the most worthy causes, but they will have the opportunity of hearing an entertainment of the very highest class.

A marriage license was issued to Henry Benard Wintering and Margaret McLane Saturday afternoon. Miss McLane has been acting as stenographer for Renner & Kent while Mr. Wintering is in the mining business in California.

Mr. and Mrs. Clarence Underwood, Miss Edna Wells, Miss Maud Hadley and Harry Ackley formed a gay party which visited Crater Lake yesterday. They left at an early hour and went as far as the White Cloud peak on the north side of the lake. All report a fine time.

Jesse Walker and daughter, Mrs. Oscar Campbell of Lorella are in the city today. They plan to take back Mrs. Walker, who was recently injured in an auto accident near the Altamont ranch. Mrs. Walker sustained an injury to her shoulder and has been staying at the home of her brother, St. P. Van Riper.

Mr. and Mrs. Joel T. Ward have returned from Diamond Lake, where they have been with Mr. and Mrs. C. F. Stone. They declare that this is a wonderful place to camp, and that fishing is unexcelled. They came in yesterday with Game Warden Henry Stout, and report some difficulty in getting thru the forest fires.

DIVORCE ACTION FILED

Alleging cruel and inhuman treatment, an action for divorce has been instituted by Augusta Steeman against Glenn Steeman in the office of the Circuit court clerk, thru her attorneys, Renner and Kent.

Salts Fine for Aching Kidneys

We eat too much meat which clogs Kidneys, then the Back hurts

Most people forget that the kidneys, like the bowels, get sluggish and clogged, and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

Jad Salts is harmless; inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications.

A well known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only a trouble.—Adv.
