COMB SAGE TEA — INTO GRAY HAIR

DARKENS BEAUTIFULLY AND RESTORES
ITS NATURAL COLOR AND LUSTRE AT ONCE

Common garden sage brewed into
a heavy tea, with sulphur and alcohol
added, will turn gray, streaked and
faded hair beautifully dark and lux-
uriant. Mixing the Sage Tea and Sul-
phur recipe at home, though, is trou-
blesome. An easier way is to get the
ready to use preparation improved by
the addition of other ingredients,
costing about 60 cents a large bottle,
at drug stores, known as "Wyeth's
Sage and Sulphur Compound," thus
avoiding a lot of fuss.

While gray, faded hair is not sin-
ful, we all desire to retain our youth-
ful appearance and attractiveness. By
darkening your hair with Wyeth's
Sage and Sulphur Compound, no one
can tell, because it is done so natu-
rally, so evenly. You just dampen a
comb or soft brush with it and draw
it through your hair, taking one
small strand at a time; by morning
all your hairs have disappeared. At
the proper application or two your
hair becomes dark, glossy, soft, and
radiant, and you appear years
younger.

Wyeth's Sage and Sulphur
Compound is a delightful toilet re-
quisite. It is not intended for the cure,
mitigation or prevention of disease.

General Akiyama, who commanded
the army of the north at the grand
maneuvers in Japan, will probably be
one of the commanders of the Jap-

manded the army of the south in the
maneuvers, will probably share the
command with him.

At the Theaters

If there are any who should be
told, let it be said to them at once.
"Do not miss the splendid perform-
ance that ends its run today at the
Orpheus theater." See Tom Mix in
the William Fox photoplay "Six
Shooter Andy."

This is a play that is unusual and
will give you a new insight into what
the makers of the country went thru.
But more than that, it will show you
the type of man of big body and
heart and mind, who did the work
of taking the wilderness away from
the hands of outlaws who roamed
the great West. Here is the case of
the organizers of robbery and murder
who sits in the chair of the sheriff
and who is only ousted from it when
he meets a man who is so worthy
and honest and clever with his gun
that he is a match for the whole or-
ganized band of corruption.

Tom Mix is surrounded by a splen-
did cast. Enid Markey and the cle-
ver young actors and actresses, who
are her brothers and sisters, and
Sam de Grasse, as the vicious and
brutal sheriff, make up a splendid
cast.

HEAVY MEAT EATERS HAVE SLOW KIDNEYS

HEAVY MEAT EATERS
BACKACHY OR HAVE BLADDER
TROUBLE
No man or woman who eats meat
regularly can make a mistake by
flushing the kidneys occasionally, says
a well known authority. Meat forms
uric acid, which excites the kidneys,
they become overworked from the
strain, get sluggish and fail to filter
the waste poisons from the blood,
then we get sick. Nearly all rheu-
matism, headaches, liver trouble, ner-
vousness, dizziness, sleeplessness and
urinary disorders come from sluggish
kidneys.
The moment you feel a dull ache in
the kidneys or your back hurts or if
the urine is cloudy, offensive, full of
sediment, irregular of passage or at-
tended by a sensation of scalding, stop
eating meat and get about four ounces
of Jad Salts from any pharmacy; take
a tablespoonful in a glass of water be-
fore breakfast and in a few days your
kidneys will act fine. This famous
salt is made from the acid of grapes
and lemon juice, combined with lithia-
and has been used for generations to
flush and stimulate the kidneys, also
to neutralize the acids in urine so it
no longer causes irritation, thus end-
ing bladder weakness.
Jad Salts is inexpensive, and cannot
injure; makes a delightful efferves-
cent lithia water drink which every-
one should take now and then to keep
the kidneys clean and active and the
blood pure, thereby avoiding serious
kidney complications.—Adv.
