AMSTERDAM, Aug. 15.—The mil-
itary writer of the Berlin Zeitung Am
Mittag, in preparing the German pub-
lic for a further retreat of the Ger-
man forces, says:

"If to avoid further fighting we
are withdrawing to new positions,
thereby allowing the enemy to attack
with great losses, we are serving our
aims better than by sacrificing our
best men in an obstinate struggle for
pieces of ground. The decisive mo-
ment has not yet come."
