LATER START AT WORK PROVES EFFICIENT MOVE

LONDON, Aug. 25.—The abandonment of the system of work before breakfast and adoption of the system of an eight o'clock start in one of the great Paisley cotton thread factories, has resulted in the disappearance of bad time keeping, a practical cessation of sickness among girls in the first hours of the morning when work started at six, better work being secured and maintained, and a scarcely noticeable reduction in the output.

FAMILY THOUGHT HE WAS GOING TO DIE

WHEELER SAYS NOTHING HELPED HIM UNTIL HE TOOK TANALAC—HEALTH RESTORED

"Well, sir, Tanalac has not only entirely relieved me of my awful trouble, but I have regained twenty-five pounds of my lost weight and never felt stronger and better in my life," said Harry R. Wheeler, who is employed at the Pacific Coast Steel Plant and lives at 4744 Forty-Eighth Ave., South, Seattle, the other day. "About a year ago," he continued, "I began to suffer with intestinal indigestion that, in spite of all I could do, got worse and worse till I was in a terrible condition. Everything I would eat fermented and I would be in such agony, that it was like a sharp knife cutting clean across my stomach. I got so weak that I could hardly do a thing, and it was only my will power that kept me going at all. When I would get home at night I would be so weak and in so much pain that my wife was always ready with a hot water bottle to put right on me, and even then I would be in such agony at times I thought it would drive me distracted. My hips ached with rheumatism, and the muscles of my right arm and leg would get all drawn into knots, and at times I couldn't raise my arm halfway to my head. I went down in weight from two hundred pounds to a hundred and fifty-two a loss of forty-eight pounds, and my condition was so serious that my family actually thought I was going to die. "I tried everything I could hear of for relief, but nothing did me any good. Then my sister-in-law, who had been suffering with rheumatism, got me to try Tanalac, as it had done her so much good. I got a bottle and when I found it helping me, I just kept it up till now I haven't a pain or ache about me. I have a splendid appetite, and can eat anything I want without it hurting me in the least. I used to lay awake night after night suffering terribly, but now I go to sleep as soon as my head hits the pillow, and sleep like a log all night. I am picking up in weight every day and am feeling so fine and well that I am glad to tell everybody how much this wonderful medicine has benefited me."

Tanalac is sold in Klamath Falls by Star Drug Co. —Adv.
