TO EXCHANGE—Good Portland residence for Klamath property. Also Ashland residence. E. O. Argraves, owner, Mecca Pool Hall. 36-14

Glass of Hot Water Before Breakfast a Splendid Habit

Open channels of the system each morning and wash away the poisons, stagnant matter,

Those of us who are accustomed to feel dull and heavy when we arise; splitting headaches, stuffy from a cold, foul tongue, nasty breath, acid stomach, lame back, gas, indigestion, both look and feel as fresh as a daisy by washing the poisons and toxins from the body with phosphated hot water each morning.

We should drink, before breakfast, a glass of real hot water with a teaspoonful of limestone phosphate in it to flush from the stomach, liver, kidneys and ten yards of bowels the previous day's indigestible waste, sour bile and poisonous toxins; thus cleansing, sweetening and purifying the entire alimentary tract before putting more food into the stomach.

The action of limestone phosphate and hot water on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases, waste and acidity and gives one a splendid appetite for breakfast and it is said to be but a little while until the roses begin to appear in the cheeks. A quarter pound of limestone phosphate will cost very little at the drug store, but is sufficient to make anyone who is bothered with biliousness, constipation, stomach trouble or rheumatism a real enthusiast on the subject of internal sanitation. Try it, and you are assured that you will look better and feel better in every way.

Commander of Cruiser Sunk Off Long Island

CAPT. H. H. CHRISTY

Captain H. H. Christy was the commander of the United States cruiser San Diego, which was sunk off Fire Island, Long Island, N. Y. He gave it as his opinion in the report to the navy department that he had been sunk by the torpedo of a submarine. That opinion was to some extent confirmed by the later appearance of a German U-boat off the Massachusetts shore two days later.

Are you saving for yourself alone or buying War Savings Stamps and saving for yourself and your country?

UNION TO ELECT OFFICERS

The regular meeting of the Women's Christian Temperance Union will be held Tuesday afternoon at 2:30 at the home of Mrs. H. C. Chamberlain. At this meeting the election of officers for the ensuing year will be held.

HIGHWAY WORK TO CONTINUE IN STATE

SALEM, Ore., Sept. 9.—Highway work in Oregon will not be discontinued by the federal regulation requiring the approval of the United States highway council for road improvement projects. The state highway commission received a telegram from Secretary Pennington, of the federal highways council, with the information that work may continue if no difficulty is experienced in securing materials. Secretary Klein, of the commission, said that all work now pending or in progress would go ahead.

By the window of almost every ticket office in the land you will find the Travelers' name plate. This is the company that leads the world in accident and health insurance. See Chilcote. 36-14

The purpose of the National War Savings committee is to create an army of savers who will, by saving, release labor and materials for the use of the government in the war, and who will lend their savings to the government to prosecute the war.

PLENTY SUGAR FOR SCHOOLS

PORTLAND, Sept. 9.—Sugar will be permitted in whatever quantities may be needed to domestic science departments in the schools and colleges of the state, according to W. B. Ayer, federal food administrator for Oregon. The quantity used will rest with the discretion of the teachers.

This announcement came as a result of inquiries from heads of domestic science departments, asking what provision would be made for them carrying on their work, as large quantities of sugar would be needed in class instruction. Mr. Ayer wrote to Miss Minam, head of the domestic science school at the Oregon Agricultural college, asking her opinion, and received a reply saying that since the products made were sold in cafeterias and were not wasted, and since lessons in conservation were taught, that the sugar supply should not be withheld from the schools.

A letter from the national food administration at Washington was received at the same time, holding the same views.

ALFALFA LAND

The man with an alfalfa ranch is in the right kind of "clover." I have a 100-acre tract, partly in alfalfa, with fair buildings, and otherwise well improved, mostly under irrigation, only eight miles from Klamath Falls, at a real bargain. Price \$6,000., half cash. Better look at it now. Chilcote, 633 Main St. 7-31

Less delay when you fill at Klamath Service Station, Sixth and Klamath. 26-14

Four room cottage only one block from Main St. Price \$1050 on easy terms. See Chilcote. 36-3

PORTLAND MAN GAINS TWENTY-FOUR POUNDS

WAS HARDLY ABLE TO WORK BEFORE HE BEGAN TAKING TAN-LAC.

"When I started taking Tanlac I was so weak I could hardly do anything at all, and it has not only almost made a man of me, but I have gained twenty-four pounds besides," said Charles E. Shaffer, an employee of the Grant Smith-Porter Ship Building Company, living at 508 West Charleston Street, Portland, Ore., the other day.

"A little over a year ago," he continued. "I suffered from a bad case of a gripe that pulled me down till I was hardly fit for a thing. I lost my appetite and what little I managed to force down soured on my stomach and felt as hard as a lump of lead in me, and I was miserable night and day. Then several weeks ago I had an awful attack of tonsillitis that had me so bad I couldn't swallow a bit of nourishment for ten days, and it came near putting me out of business. I felt tired and worn out all the time and lost every spark of energy I ever had. When I went to bed I would rail and toss so much that I never got a night's sleep, in fact I haven't been able to sleep much in the last three or four years, and I always got up in the mornings feeling just as bad as when I went to bed. I lost considerable weight and got so weak and run-down that at last I just had to quit working altogether.

"I read so much about the good Tanlac was doing others that I decided to try a bottle. I began to pick up right smartly from the very first, and in a little while I had my appetite back and was eating and enjoying my meals, and everything now agrees with me. I got as hungry as a bear in three hours after eating a hearty breakfast, and my food is building me up something wonderful. I sleep like a log all night and get up in the morning feeling just fine and dandy. I am fast getting back my old time energy, and have already got a number of my friends started on Tanlac and expect to keep on boosting it."

Tanlac is sold in Klamath Falls by Star Drug Co. -Adv.

TWO NORMAL SCHOOLS TO BE SUPPORTED

The following resolutions pledging support to the two additional Normal Schools and untiring support to the successful prosecution of the war, were adopted by the Klamath County Teachers Association at their recent institute.

Be it resolved, by the Klamath County Teacher's Association in convention assembled, that we extend to the instructors of this institute, to its management, to the people of Klamath Falls, and to any and all who have assisted in making it a pronounced success, our deepest appreciation.

Second, that this Association indorses the proposition now before the people of Oregon for the establishment of two additional Normal Schools, and furthermore, that we pledge our support to this undertaking.

Third, that we express our sorrow that death has taken from us, during the past year, two of our co-workers, in the persons of Miss Hazel Hardenbrook and Mrs. Gertrude Freuer; that this Association hereby extends its sympathy to relatives of the deceased; and furthermore that copies of this resolution be sent to them.

Fourth, that the Association expresses its joy and pride in the fact that many of its members are serving our country in various phases of her needs in the present world war.

Fifth, that this Association pledges to the successful prosecution of the war its untiring support, that this war may soon be ended, that a just and lasting peace be secured, that Democracy may be justified, and that "government of the people, by the people, and for the people may not perish from the earth."

Committee—Fred Peterson R. H. Dunbar Lucile Marshall

DIPLOMAT WAS NOT NEUTRAL

TOKIO, Sept. 9.—It is confirmed here that previous to the departure of G. O. Wallenberg, the Swedish minister to Japan, the diplomatic representatives of the entente nations and of the United States submitted a note to the Foreign Office expressing their disapproval to meet Mr. Wallenberg at social or other functions, subsequently Mr. Wallenberg was recalled to Sweden and a new Swedish minister recently arrived at Tokio.

None of the allied diplomats were present at the department of Mr. Wallenberg. It is alleged that Mr. Wallenberg sent frequent messengers to Sweden across Siberia carrying sacks of mail and that these sacks included letters from German residents of Yokohama.

ARMY OFFICER IN GRAFT CHARGES

Lieutenant James C. Staley of the Quartermaster's Department of the United States army arrested in New York City in connection with charges of graft in army contracts made against several men supplying the war needs of the government. He was charged with having accepted money from a manufacturing company whose plant he had just inspected.

Klamath County News

SPRING LAKE

Mrs. J. Stewart and family and sister arrived Tuesday night for a short visit with their brother, Frank Stewart.

Mr. and Mrs. E. A. Schreiner returned Wednesday evening from a short visit with their daughter, Mrs. G. S. Kelley, of Lewiston, Idaho.

Ray Reece left Wednesday morning for Northern Texas.

Miss Lucille Stewart and Mrs. Glen Steeman were Klamath Falls visitors Wednesday.

F. G. Williams has commenced his second cutting of hay.

MIDLAND

Miss Ida Hooper and little sister Opal, spent Sunday with their sister, Mrs. W. E. Kemp at Ady.

Miss Queenie Hof, the Midland school teacher, arrived on the train Sunday.

Edgar Farber is heading his grain this week.

Earl Himbree is here from Portland visiting Henry Hammond.

Mrs. E. G. Davis returned from Ashland Monday.

Mrs. M. J. Morrison is here from Silver City, N. M., visiting her father, and mother, Mr. and Mrs. J. D. Hooper.

SHASTA VIEW

About thirty neighbors gathered at the home of J. L. Hale and wife Saturday evening and gave them a surprise. Mr. and Mrs. Hale expect to leave soon for Hood River on account of Mrs. Hales health.

Mrs. C. M. Kirkpatrick entertained the ladies who sewed for the Red Cross Wednesday. Those present were: Mesdames, H. E. Wilson, O. E. Hunt, J. L. Hale, Ben Daniel, Lou Daniel, L. S. Miller, J. L. Bailey, Miss Ada Hunt and the hostess. Next meeting to be at Mrs. O. E. Hunts Wednesday 18th, all patriotic ladies expected to be present.

The addition of our school building since completed is a great improvement and the building and grounds are being put in readiness for occupancy next week.

J. L. Hale took Miss Lola Schaffer and Miss Whipple to Klamath Falls Tuesday to attend the Teacher's Institute.

Mrs. Luther Holbrook is spending a few days with her husband near Lakeview.

Henry Krupka and Frank Otoman are two more of our boys to be called for training. They left for Camp Lewis Wednesday.

Henry Voss and family of White

First Great Steel Ship Launched Against Hun

This is one of the first of the great steel ships—a vessel of 9,500 tons—to be launched to fight the Hun. She was built by the Federal Shipbuilding Company on the Hackensack River in New Jersey, and was christened by Mrs. Elbert H. Gary, wife of the chairman of the board of directors of the United States Steel Corporation.

Lake spent Sunday with their daughter, Mrs. Ben Daniel and family. Their son Andy left for Camp Lewis Wednesday.

The huckleberry pickers from this section have returned with their pails full and report a fine time.

L. S. Miller and wife have moved into their son John's house, the latter having gone with his family to Cal.

WHEN YOUR KIDNEYS FEEL LIKE LUMPS OF LEAD

When you wake up with backache and dull misery in the kidney region it generally means that you have been eating too much meat, says a well known authority. Meat forms uric acid, which overworks the kidneys in their effort to filter it from the blood, and they become sort of paralyzed and loggy. When your kidneys get sluggish and clog you must relieve them, like you relieve your bowels; removing all the body's urinous waste, else you have backache, sick headache, dizzy spells; your stomach sour, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels of ten get sore, water scalds and you are obliged to seek relief two or three times during the night. Either consult a good, reliable physician at once or get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys, also to neutralize acids in the urine so it no longer irritates, thus ending bladder weakness. Jad Salts is a life saver for regular meat eaters. It is inexpensive, cannot injure, and makes a delightful effervescent lithia-water drink.—Adv.
