

Americans Capture 12 Thousand Prisoners

Pershing's Men Have Taken Entire St. Mihiel Salient

TWO DIVISIONS ARE BELIEVED TRAPPED IN SIX MILE POCKET

GERMAN PRISONERS SAY THAT AMERICAN ATTACK WAS EXPECTED BUT WAS DELIVERED TOO RAPIDLY TO PERMIT DEFENSE

THE BIG OFFENSIVE STARTED YESTERDAY IN LORRAINE IS DOMINATINGLY AMERICAN WITH THE FRENCH CO-OPERATING

(By Associated Press).

LONDON, Sept. 13.—General Pershing's forces attacking the southern side of St. Mihiel salient have advanced eight miles on a 14-mile front and are making rapid progress.

German prisoners say that the American attack was expected but was delivered so rapidly that they had no time in which to put up a stubborn defense.

Pannes was easily captured and the Americans are reported to have captured Vigneulles, seven and a half miles north of Ivray, and also Beney, Heudicourt and Boise de Thiaucourt. If these have been really captured, the neck of the St. Mihiel salient has been narrowed to less than six miles, and if two German divisions reported there last night are still there it is decidedly improbable that they will be able to get away.

The Germans are blowing up ammunition dumps at Hattonville and Combours.

Pershing's men have taken 9500 prisoners and 60 guns. On the west side of St. Mihiel salient, where the country is much more difficult, the Americans have advanced three miles on a 12-mile front. The big offensive is dominantly American with French co-operating.

ROME, Sept. 13.—The Italians have penetrated the Austro-Hungarian positions at Pramagior and put to flight the enemy assaulting party on Monte Asolone.

LONDON, Sept. 13.—Apparently Lille is being evacuated by the Germans as numerous fugitives are arriving at Antwerp.

With the British advancing in Havrincourt section they have penetrated German positions for a distance of 2000 yards at some places.

Sept. 13.—Prisoners taken today include 350 Austrian-Hungarians. This is the first conclusive evidence that Austrians are being used there.

The Americans are progressing according to schedule today and are even ahead. They have encountered no unexpected developments. Large quantities of supplies and materials have been taken.

PARIS, Sept. 13.—St. Mihiel salient has been reduced. It is understood. The censor will not permit the publication of the names of the towns and villages forming the present American line.

On the St. Quentin front the French have taken Bavy.

Americans Wipe Out Big Salient

LONDON, Sept. 13.—The Americans have taken 12,000 prisoners in their offensive and captured the entire St. Mihiel salient.

All the villages in the salient have been captured and the front in this sector has been reduced from 40 miles to 20 miles.

The railway from Verdun to Commercy, Toul and Nancy are now open to the Allies.

The latest news from the St. Mihiel sector showed that the battle line runs directly from Pagny on the Moselle river to Hattonville and along the front of the heights on the Meuse Pagny is on the western border of Germany. Many more prisoners are coming in.
