SAGE TEA DANDY TO DARKEN HAIR

IT'S GRANDMOTHER'S RECIPE TO BRING BACK COLOR AND LUSTRE TO HAIR

You can turn gray, faded hair beautifully dark and lustrous almost overnight if you'll get a 50-cent bottle of "Wyeth's Sage and Sulphur Compound" at any drug store. Millions of bottles of this old famous Sage Tea Recipe, improved by the addition of other ingredients, are sold annually, says a well known druggist here, because it darkens the hair so naturally and evenly that no one can tell it has been applied.

Those whose hair is turning gray or becoming faded have a surprise awaiting them, because after one or two applications the gray hair vanishes and your locks become luxuriantly dark and beautiful.

This is the age of youth. Gray-haired, unattractive folks aren't wanted around, so get busy with Wyeth's Sage and Sulphur Compound tonight and you'll be delighted with your dark, handsome hair and your youthful appearance within a few days.

This preparation is a toilet requisite and is not intended for the cure, mitigation or prevention of disease.—Adv

STARS AND STRIPES WILL FLOAT IN METZ, SAYS GENERAL FOCH

NEW YORK, Sept. 16.—General Foch expects to see the Stars and Stripes flung to the breeze over Metz. In accepting a marshal's baton inscribed with his victories from the Knights of Columbus, General Foch sent the following cable, made public Saturday night by the Knights of Columbus: "I am deeply touched by the congratulations and the delicate attention of the Knights of Columbus. The souvenir of Metz evoked by you holds a large place in my thoughts, in the same way that it calls forth your effort. It was from Metz that Lafayette went to help your ancestors, and we shall one day see your victorious banners floating in Metz."

PERSONAL MENTION

LITTLE SIDELIGHTS ON LOCAL HAPPENINGS AMONG THE PEOPLE OF THIS CITY AND VICINITY. GOINGS AND COMINGS OF LOCAL FOLKS

Mr. and Mrs. Chas. McGowan left today by auto for their home in San Francisco, Cal.

H. T. Lacle, the sales expert of San Francisco, who is well known in Klamath Falls, arrived here last evening.

Mr. and Mrs. M. L. Poland returned last night from an extended trip to Montana, where they visited their son and other relatives.

Mrs. A. J. Vove received word late yesterday of the illness of her husband, who had gone to San Francisco on business the latter part of the week and she left on this morning's train in answer to the message.

Marion Barnes and family are in Klamath Falls to spend the winter. He has been residing in Lake county for the past five years, but has been assisting his father with the hay crop near Chilcoquin for the past few weeks.

A total of 1925 names of men of the ages of 18 and 20 and 32 and 45 are reported by Sheriff Humphrey as having registered in Klamath county at the recent selective draft registration. A few more names will probably be added to the list as some are being received thru the mails.

Col. F. P. Light of Lakeview and F. A. Fitzpatrick, superintendent of the Chewaukan-Land and Cattle Co., are in the city for the remainder of the week. Mr. Fitzpatrick is arranging for the shipment of 3000 head of cattle from Midland on the 20th. The cattle will go to the company's ranch at Bakerfield.

FIVE AMERICANS DOWN 75 GERMAN PLANES

WITH THE BRITISH ARMY IN FRANCE, Sept. 16.—Five American aviators, who brought down 75 German planes in August, have been decorated with distinguished flying crosses by the British army for gallantry in action during the recent British drive. They destroyed a total of more than 100 enemy planes since coming to the British front.

The first Yankee flyers to win such honors are Lieutenant G. W. Waughn of Brooklyn, Lieutenant A. Hamilton of Burlington, Vt.; Lieutenant Merton L. Campbell of Wakeman, Ohio; Lieutenant Thomas J. Herbert and Lieutenant James A. Keating, whose addresses are not given.

All five Americans, in recent battles, aided the British tanks, infantry and artillery, by flying low over the enemy and spraying the Boches with machine gun fire and dropping bombs at great risk to themselves.

The purpose of the National War Savings committee is to create an army of savers who will, by saving, release labor and materials for the use of the government in the war, and who will lend their savings to the government to prosecute the war.

TIME FOR ONE TRIP BETWEEN ELECTIONS

JUNEAU, Alaska, Aug. 10.—(By Mail)—Governors who can traverse their commonwealths in a few hrs., probably would enjoy a trip which Thomas Riggs, Jr., Governor of Alaska, is now taking from Juneau, the capital, across the territory to Nome, not far from Siberia's east coast.

Governor Riggs will travel, in all, about 5,000 miles by ocean steamer, railroad, automobile stage, river steamer and probably launch. It is not believed he will have to "mush" any of the trip on foot. He will touch nearly every one of the larger cities and towns of the northern territory.

The first lap, is an easy steamship journey nearly 1,000 miles across the gulf of Alaska and up Cook's Inlet to Anchorage. At Fairbanks he will strike the Tanana River, and board a stern wheel river steamer for St. Michael on the Bering Sea, about 1,000 miles away. Thence an ocean steamer or a launch will carry the executive across Norton Sound to Nome.

Mrs. Riggs is accompanying her husband. Governor Riggs has gone on the trip with the object of learning Alaska's needs and meeting the people.

This is the message General Pershing sent to the American people thru Congressman John Tilden of Arkansas, who headed a congressional delegation that was entertained at American field headquarters recently.

HEAVY MEAT EATERS HAVE SLOW KIDNEYS

EAT LESS MEAT IF YOU FEEL BACKACHEY OR HAVE BLADDER TROUBLE. No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well known authority. Meat forms uric acid, which excites the kidneys, they become overworked from the strain, get sluggish and fail to filter the waste poisons from the blood, then we get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders come from sluggish kidneys. The moment you feel a dull ache in the kidneys or your back hurts or if the urine is cloudy, offensive, full of sediment, irritable of passage or attended by a sensation of scalding, stop eating meat and get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast and in a few days your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithium and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder weakness. Jad Salts is inexpensive, and cannot injure; makes a delightful effervescent lithia water drink which every one should take now and then to keep the kidneys clean and active and the blood pure, thereby avoiding serious kidney complications.—Adv.
