QUIT MEAT WHEN
KIDNEYS BOTHER

TAKE A GLASS OF SALTS IF YOU
HACK HURTS OR BLADDER
TROUBLES YOU

No man or woman who eats meat
regularly can make a mistake by
flushing the kidneys occasionally,
says a well-known authority. Meat
forms uric acid which excites the kid-
neys, they become overworked from
the strain, get sluggish and fail to
filter the waste and poisons from the
blood, then we get sick. Nearly all
rheumatism, headaches, liver trouble,
nervousness, dizziness, sleeplessness
and urinary disorders come from
sluggish kidneys.

The moment you feel a dull ache
in the kidneys or your back hurts or
if the urine is cloudy, offensive, full
of sediment, irregular of passage or
attended by a sensation of scalding,
stop eating meat and get about four
ounces of Jad Salts from any phar-
macy; take a tablespoonful in a glass
of water before breakfast and in a
few days your kidneys will set fine.
This famous salt is made from the
seed of grapes and lemon juice, com-
bined with lithia, and has been used
for generations to flush and stimu-
late the kidneys, also to neutralize
the acids in urine so it no longer
causes irritation, thus ending blad-
der weakness.

Jad Salts is inexpensive and can
not injure; makes a delightful after-
noon drink; makes a delightful after-

PRISONERS OF
ENEMY FACE
HARD FUTURE

WITH THE AMERICAN TROOPS
IN FRANCE, Oct. 10.—(Correspond-
ence of the Associated Press)—Re-
newed evidence of German ruthles-
ness in dealing with the civilian popu-
lation of invaded territories is con-
tained in a captured army order. It
prescribes the treatment and the pro-
cedure to be followed in a section
south of the Vesle River (Marne Sal-
lent).

All the inhabitants capable of
working, the order says, must be
used for the needs of the army, re-
gardless of their age. Their "salaries"
are to be paid in paper currency at
the rate of 50 cents a day as the
maximum for men; 40 cents for men
and women, between the ages of 17
and 30; and 30 cents for boys from
15 to 17.

The inhabitants however must
pay in French gold or silver for their
rations. The supplies of course, were
taken from the population before
being sold back to them.

No one ever got rich merely by
saving money. You must invest it.
A good way to invest it is to buy War
Savings and Thrift Stamps.

DIRTY ACTS
BY HUNS ON
BATTLEFIELD
WITH THE AMERICAN ARMY
IN FIELD, Sept. 28. (Correspond-
ence of the Associated Press)—An
instance of cowardly treachery on the
part of a captured German officer
who had been wounded and who had
been offered help by an American
officer is told by Lieutenant Edward
Nichols of Jamaica, N. Y.
After the last big drive of the Al-
lies in August, Lieutenant Nichols
was placed in charge of a company
of soldiers whose task it was to clear
the field of American dead and
wounded. Altho his duties did not
require him to aid the German
wounded on the field until the Ameri-
cans were disposed of, Lieutenant
Nichols, who is only 23 years old,
went to the assistance of a German
infantry officer, who seemed more
than any of his comrades to be in
need of succor.
The Lieutenant was in the act of
unfastening his canteen and giving
the wounded man a drink of water
when the German drew a revolver
while the unsuspecting American's
face was turned, and aimed it at the
head of his rescuer.
Before he could pull the trigger,
however, a quick-witted American
sergeant plunged his bayonet thru
the German's heart. The German's
act was condemned even by his cap-
tured comrades.
