COMB SAGE TEA INTO GRAY HAIR

DARKENS BEAUTIFULLY AND RESTORES ITS NATURAL COLOR AND LUSTRE AT ONCE

Common garden sage brewed into a heavy tea, with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and lustrous. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready to use preparation improved by the addition of other ingredients, costing about 50 cents a large bottle, at drug stores, known as "Wyeth's Sage and Sulphur Compound," thus avoiding a lot of fuss.

White gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it is done so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared. After another application or two your hair becomes dark, glossy, soft, and luxuriant, and you appear years younger. Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.—Adv.

GIRLS OF FAR EAST WORKING TO WIN WAR

While girls of the Allied nations are making munitions for western governments, Oriental girls in the eastern part of the world are working for their government.

In one suburb of Tokio, Japan, where 10,000 girls are working in mills and factories, 5000 of the number are employed in a single munition plant. Two thousand more are working on paper money.

The Y. M. C. A. of Tokio is just beginning work in the industrial part of the city with a settlement and a visiting nurse. Miss Mary Page of Berkeley, Cal., general secretary of the Tokio Y. M. C. A., who is in this country on furlough, praises the enthusiasm of these Japanese factory girls in their work for victims of the European war.

Members of her association are making bandages, sewing and raising money for relief among Russian children. Bathrobes worn by wounded soldiers in Mesopotamian hospitals were made and sent by these girls. Women of Tokio, both Japanese and foreign women, are working together, and are giving bazars to raise money for Belgian and French children.

Y. W. C. A.'s are in operation in Yokohama and Kobe and others are just starting in Asaka and Kyoto.

Miss Page will aid in the coming financial campaign of the seven organizations, the Y. M. C. A., Y. W. C. A., War Camp Community Service, American Library Association, K. of C., Jewish Welfare Board, and Salvation Army.

BIG EATERS GET KIDNEY TROUBLE

TAKE SALTS AT FIRST SIGN OF BLADDER IRRITATION OR BACKACHE

Women pay more attention to their kidneys than men. They must guard constantly against kidney trouble, because we eat too much and our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out; they weaken from overwork become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three times during the night; if you suffer with sick headache or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders.

Jad Salts is inexpensive; cannot injure, makes a delightful effervescent lithia-water beverage, and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.—Adv.

PAINS AND ACHES YIELD QUICKLY TO SLOAN'S LINIMENT
Are you tormented by Neuralgia, Lumbago, Sciatica or any of those lameness disorders? Then let the soothing, warming application of Sloan's Liniment stop the pain by drawing the blood away from the congested part.
It is the pressure on the nerves by the blood rushing to the inflamed muscle or joint that makes you ache. So when Sloan's Liniment relieves the swollen blood vessels by setting up a counter-irritant on the surface, the circulation is equalized, sympathetic nerves all soothed, and soreness or lameness disappears.
Sloan's Liniment is probably the counter-irritant most widely used to overcome painful inflammation in cases of neuralgia, sore muscles, wrenched joints, strains, bruises, gonorrhea, etc. Rubbing is not required. This clear, clean liquid is easily applied as it does not stain the skin.
Generous size bottles at your drugstore.
