LADIES DARKEN
YOUR GRAY HAIR

USE GRANDMA'S SAGE TEA AND
SULPHUR RECIPE AND NO-
BODY WILL KNOW

The use of Sage and Sulphur for
restoring faded, gray hair to its nat-
ural color dates back to grandmoth-
er's time. She used it to keep her
hair beautifully dark, glossy and at-
tractive. Whenever her hair took on
that dull, faded or streaked appear-
ance, this simple mixture was ap-
plied with wonderful effect.

But brewing at home is messy and
out-of-date. Nowadays, by asking at
any drug store for a 50 cent bottle of
"Wyeth's Sage and Sulphur Com-
pound," you will get this famous old
preparation, improved by the addi-
tion of other ingredients, which can
be depended upon to restore natural
color and beauty to the hair.

A well known downtown druggist
says it darkens the hair so natural
ly and evenly that nobody can tell it
has been applied. You simply damp-
en a sponge or soft brush with it,
and draw this through your hair, tak-
ing one strand at a time. By morn-
ing the gray hair disappears, and af-
ter another application or two, it be-
comes beautifully dark and glossy.
Wyeth's Sage and Sulphur Compound
is a delightful toilet requisite for
those who desire a more youthful ap-
pearance. It is not intended for the
cure, palliation or prevention of dis-
eases.—Advt.

M'ADOO WAS
GOING BROKE
IN WASHINGTON

McAdoo's letter of resignation
dated November 14, follows:

"Dear Mr. President:

"Now that an armistice has been
signed and peace is assured, I feel
at liberty to advise you of my desire
to return, as soon as possible, to pri-
vate life.

"I have been conscious for some
time of the necessity for this step,
but, of course, I could not consider it
while the country was at war.

"For almost six years I have work-
ed incessantly under the pressure of
great responsibilities. Their exactions
have drawn heavily on my
strength. The inadequate compensa-

tion allowed by law to cabinet officers
(as you know, I receive no compensa-
tion as director general of railroads)
and the very burdensome cost of liv-
ing in Washington have so depleted
my personal resources that I am ob-
liged to reckon with the facts of the
situation.

"I do not wish to convey the im-
pression that there is any actual im-
pairment of my health, because such
is not the fact. As a result of long
overwork I need a reasonable period
of genuine rest to replenish my
energy. But more than this, I must,
for the sake of my family, get back
to private life, to retrieve my per-
sonal fortune.

"I cannot secure the required rest
nor the opportunity to look after my
long neglected private affairs unless
I am relieved of my present respon-
sibilities.

"I am anxious to have my retire-
ment effected with the least possible
inconvenience to yourself and to the
public service, but it would, I think
be wise to accept my resignation now,
as secretary of the treasury, to be-
come effective upon the appointment

TWO LITTLE OKLAHOMA GIRLS WHO RAN
AWAY AND MASQUERADED AS BOYS

The great adventure in the lives of
Helen and Dorothy Peterson, eight
and thirteen years old, has ended. It
was an inquisitive Chicago policeman
who discovered that two children in
boys' clothes were really the daugh-
ters of a Tulsa, Okla., family. Helen
and Dorothy found a check for \$155
on their mother's table and decided
that Tulsa was not wide-awake
enough for them. She succeeded in
having it cashed and went to St.
Louis. There they made up their
minds to become boys, and had their
hair bobbed and bought boys suits.
Then the Chicago policeman spoiled
it all.

and qualification of my successor, so
that he may have the opportunity
and advantage of participating
promptly in the formulation of the
policies that should govern the fu-
ture work of the treasury. I would
suggest that my resignation as di-
rector general of railroads be effective
January 1, 1919, or upon the ap-
pointment of my successor.

"I hope you will understand, my
dear Mr. President, that I will per-
mit nothing but the most imperious
demands to force my withdrawal
from public life. Always I shall cher-
ish as the greatest honor to my car-
er the opportunity you have so gen-
erously given me to serve the coun-
try under your leadership in these epoch-
al times. Affectionately yours,
(Signed) "WILLIAM G. McADOO."

CONCRETE SHIP
PROVES HERSELF
BIG SUCCESS

WASHINGTON, Nov. 25.—A new
trans Atlantic liner, the first of its
kind ever seen in the harbor of New
York has entered into cargo service
there. She is the big West coast-
built concrete ship, Faith. She ar-
rived in New York Thursday, after
being dry-docked at New Orleans. To-
night a big dinner will be given
in celebration of her going into
the regular Atlantic service. A num-
ber of speakers will talk of her
achievements and the future of the
concrete ship.

On May 22 the Faith left San Fran-
cisco for Seattle, with a cargo of matt
and copper ore. She discharged this
cargo and took on lumber at Seattle
and Portland, for South American
ports. She touched en route at San
Francisco on July 17th, and then pro-
ceeded to Mexico, Peru and Chile.
The Faith took on a cargo of nitrate
and was the first concrete ship to
pass thru the Panama Canal. She
then went to Cuba and took on a car-
go of sugar, which she brought to
New York, consigned to the Ameri-
can Sugar Refining company. On the
trip to Seattle the Faith ran into a
70-mile gale and headsets, but, ac-
cording to Mate Mattson, proved very
steady. She made the trip from Cuba
to New York in six days and ran into
another 70-mile gale south of Hat-
teras which she weathered admirably.

DOCTOR SAID
"KEEP ON TAK-
ING TANLAC"

MRS. BEAL GAINS TWENTY
POUNDS—WANTS OTHERS TO
BE HELPED.

"I have not only gained twenty
pounds since I began taking Tanlac,
but it has done me so much good that
my doctor after seeing the improve-
ment this medicine brought, advised
me to keep on taking it," declared
Mrs. Mary Beal, of 519 Dayton Ave.,
Seattle, a few days ago.

"I feel so grateful for Tanlac, I
don't know what to say," continued
Mrs. Beal. "For three years I suffer-
ed such agony with my stomach, that
I wasn't able to do a thing around
the house. In fact, I was hardly able
to get around at all. I completely
lost my appetite, and what I did force
down caused me so much pain, I
could hardly stand it. Of course this

AIRPLANE AMBULANCES TO SOFTEN SUFFER-
ING OF UNCLE SAM'S GAME FIGHTING MEN

Nothing is too good for Uncle Sam's
fighting men. The airplane ambu-
lance is being tried out now. Under
the best of conditions, the wounded
sometimes must wait for hours be-
fore reaching a dressing station. They
do not complain but the government's

intention is to have the airplane am-
bulances scout over the battlefield
and pick up those in most urgent
need of surgical aid. This picture
does not show a cover which has to
be removed when the wounded man
is being lifted in or out. It keeps
him from falling from the machine.

got my nerves in a terrible condition,
and I hardly knew what it was to
sleep at night. I'd just roll and toss
until morning.

"At last I got so bad off that I was
taken to the hospital, and had an
operation performed. I was there
for five weeks, and when I finally
got back home, I was a perfect wreck.
I was so weak I couldn't move around
the house at all and had to stay
right in bed and my husband had to
leave his work and wait on me. I
had the best attention I could get
but nothing seemed to give me any
strength and altho I tried and tried
to get up and move around, it was
no use. I was too weak; I just
couldn't do it. Everybody insisted
that I go back to the hospital, but I
said: 'No. I had been thru so much I
just couldn't bear the thought of go-
ing back there again.'
"Then I decided to try Tanlac, as

IF BACKACHEY OR
KIDNEYS BOTHER

EAT LESS MEAT, ALSO TAKE
GLASS OF SALT'S BEFORE
EATING BREAKFAST

Uric acid in meat excited the kid-
neys, they become overworked; get
sluggish, ache, and feel like lumps
of lead. The urine becomes cloudy;
the bladder is irritated, and you may
be obliged to seek relief two or three
times during the night. When the
kidneys clog you must help them
flush off the body's urinous waste
or you'll be a real sick person short-
ly. At first you feel a dull misery
in the kidney region, you suffer from
backache, sick headache, dizziness,
stomach gets sour, tongue coated and
you feel rheumatic twinges when
the weather is bad. Eat less meat,
drink lots of water; also get from any
pharmacist four ounces of Jad Salts;
take a tablespoonful in a glass of
water before breakfast for a few days
and your kidneys will then act fine.
This famous salt is made from the
acid of grapes and lemon juice, com-
bined with lithia, and has been used
for generations to clean clogged kid-
neys and stimulate them to normal
activity. Here say they sell lots of Jad
Salts to folks who believe in over-
coming kidney trouble while it is
only trouble.—Adv.

activity, also to neutralize the acids
in urine, so it no longer is a source
of irritation, thus ending bladder
weakness.

Jad Salts is inexpensive, cannot in-
jure; makes a delightful after-dinner
lithia-water drink which everyone
should take now and then to keep
the kidneys clean and active. Drug-
