NEGROES TO BE KEPT ABROAD.

WASHINGTON, D. C., Dec. 18.—The ninety-second division of army negroes, assigned by General Pershing for early convoy home, is to be kept in Europe, the War Department has announced today. The change in plans is believed due to the selection of this division as a reserve unit to reinforce the army of occupation.

Ten thousand pounds of ether were shipped to France by the Red Cross, so our soldiers might have relief from pain.

HAVE ROSY CHEEKS AND FEEL FRESH AS A DAISY—TRY THIS!

Says glass of hot water with phosphate before breakfast washes out poisons.

To see the tinge of healthy bloom in your face, to see your skin get clearer and clearer, to wake up without a headache, backache, coated tongue or a nasty breath, in fact, to feel your best, day in and day out, just try inside bathing every morning for one week.

Before breakfast each day, drink a glass of real hot water with a teaspoonful of limestone phosphate in it as a harmless means of washing from the stomach, liver, kidneys and bowels the previous day's indigestible waste, sour bile and toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting more food into the stomach. The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases and acidity and gives one a splendid appetite for breakfast.

A quarter pound of limestone phosphate will cost very little at the drug store but is sufficient to demonstrate that just as soap and hot water cleanses, sweetens and freshens the skin, so hot water and limestone phosphate act on the blood and internal organs. Those who are subject to constipation, bilious attacks, acid stomach, rheumatic twinges, also those whose skin is sallow and complexion pallid, are assured that one week of inside bathing will have them both looking and feeling better in every way.—Ad.

SAGE TEA DANDY TO DARKEN HAIR

IT'S GRANDMOTHER'S RECIPE TO BRING BACK COLOR AND LUSTER TO HAIR

You can turn gray, faded hair beautifully dark and lustrous almost overnight if you'll get a 50-cent bottle of Wyeth's Sage and Sulphur Compound at any drug store. Millions of bottles of this old famous Sage Tea Recipe, improved by the addition of other ingredients, are sold annually, says a well known druggist here, because it darkens the hair so naturally and evenly that no one can tell it has been applied.

Those whose hair is turning gray or becoming faded have a surprise awaiting them, because after one or two applications the gray hair vanishes and your locks become luxuriantly dark and beautiful.

This is the age of youth. Gray-haired, unattractive folks aren't wanted around, so get busy with Wyeth's Sage and Sulphur Compound tonight and you'll be delighted with your dark, handsome hair and your youthful appearance within a few days.

This preparation is a toilet requisite and is not intended for the cure, mitigation or prevention of disease.—Adv

THIS MAN'S MONEY WENT UP IN SMOKE

LONDON—(By mail)—Return to America for the American soldiers who have camped in England for half a year without ever seeing the French front means a return to a land where paper money looks like their idea of money. One disconsolate private was accosted at Eagle Hut, London, the big Y. M. C. A. center.

"What's the matter, son?" asked a Red Triangle secretary.

"I was just thinking I'd like some of those pancakes, sir," the private answered mournfully.

"And you're broke, eh?" the Red Triangle man guessed from long experience.

"Yes, sir."

"Been a long time since pay day?"

"No, sir; we were paid last Saturday."

"Lost your money?"

"Well, you might call it that."

"Stolen?"

"No, sir. You see, sir, there was some of us walking home last night, and I pulled out my cigarettes papers and passed them around. I thought they tasted a bit funny, at the time. And then this morning I discovered that I'd burned up all my money. It was those blame little ten shilling notes, made out of tissue paper."
