

Give Furniture FOR CHRISTMAS

Good furniture is the living Christmas gift—the gift that is never forgotten. It plays a part in the daily life of the people you give it to—always serving, always in sight, always becoming more useful and always recalling the giver.

Your Home

Is doubly precious this year. Our boys are coming home from the clash and clang of war from across the sea, where they have fought valiantly for liberty, justice and for a better world to live in for you and me. Reverence impels us to give gifts that lend charm and increases the comfort of our homes.

Furniture Is In Exact Accord With the Times

It is the economical, practical and conservative gift of good taste and judgment, and has a life-long purpose. Each gift of furniture will carry with it a message of affection which will survive the givers years to come as a memory and as a constant living presence

OLD PRESIDENT OF YALE KNEW THE SCRIPTURE

PORTLAND, Dec. 17.—Ezra Stiles was president of Yale college from 1777 to 1795. He was one of the leading men of those times, meeting on terms of social equality, whoever was active in affairs—Washington, Adams, Webster, Putnam, Franklin, and Rochambeau and others. Among other labors Ezra Stiles kept a meticulous diary which has recently been edited and condensed (into three volumes!) by Dr. Franklin B. Dexter of Yale. The diary is staggering in its detail, so that the wonder is that its writer could find time for any other occupation. For instance, we find that Stiles, was an inveterate reader of the Bible. That he also imposed this task upon the member of his family may be gathered from the following excerpt:

"July 21 1793—My daughter Ruth from 1775 to 1793 or in 18 y. has read her Bible fourteen times thru; and my Gr—D Eliza, act. 11, has read it thru five times. Emilia has lost her minutes, but has probably

read it a dozen times and more, for she read it once a year for several years after 1775. My other children have read it sundry times. May God bless the Reader of this holy Book to them. My wife died in 1775. She read thru the Bible five times the last four years of her life, once in about 9 or 10 months. Kezia died in 1875; She read it thru five times the last five years of her life. Besides reading in course privately in my Study, I read thro' the Bible in my Family at Morning Prayers from 1760 to 1791. Eight times or once in four years. My family have had full opportunity of being acquainted with the sacred Contents of the Bible."

IF BACK HURTS BEGIN ON SALTS

FLUSH YOUR KIDNEYS OCCASIONALLY IF YOU EAT MEAT REGULARLY.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well known authority. Meat

forms uric acid which clogs the kidney pores so they sluggishly filter or strain only part of the waste and poison from the blood, then you get sick. Nearly all rheumatism, head-constipation, dizziness, sleeplessness, bladder disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, get about four ounces of Jad salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which all regular meat eaters should take now and then to keep the kidneys clean and the blood pure, thereby avoiding serious kidney complications.—Adv.

The Red Cross sent 15,000,000 cigarettes, 50,000 stacks of cards, 20,000,000 boxes of matches and 1,000,000 chocolate bars to England for American soldiers, waiting to go to France

CHAIRMAN FOR RED CROSS TO GIVE UP WORK

Worn out by the strain of a twenty months chairmanship of the Klamath Chapter of the American Red Cross, and compelled to leave for an extended time to recover her health, Mrs. H. D. Mortenson yesterday afternoon insisted on the acceptance of her resignation from this responsible post at a meeting of the executive committee. As there is a huge task ahead of the local chapter this winter in meeting the heavy quota assigned for the relief of war sufferers, Mrs. S. E. Martin was chosen by the board to fill the vacancy during the remaining months of the year.

Mrs. Mortenson has been at the head of the Red Cross work here since its organization at the beginning of the war, and has worked indefatigably to bring about the great results that have been accomplished. She was re-elected at the annual meeting last June and later resigned on account of her health, but her resignation was not accepted. She will leave with Mr. Mortenson in a day or two for San Francisco.

Mrs. Martin is now in Ashland, where she has been called by the illness of her mother, and it is not known for certain that she will accept the new responsibilities.

CHINAMAN BUILDS HUGE FORTUNE IN CALIFORNIA

SAN FRANCISCO, Dec. 18.—Recently there sailed in thru the Golden Gate a trans-Pacific liner carrying as a passenger a Chinese who was part owner of the vessel. The purpose of his visit to this country was to attend a meeting of the stockholders of the China Mail Steamship company. Twenty years ago this same Chinaman came thru the Golden Gate an emigrant from China, as a steerage passenger, hoping for a chance to secure employment as a laborer.

Ng Jim Kai is his name. Twenty years ago he found work as a gardener in the Sacramento Valley. After four years he had saved enough money to lease a tract of land. He specialized on potatoes. Year by year his acreage increased. Finally a market short on potatoes found him long on the commodity. Ng Jim Kai became rich in a season.

He is 64 years old, and both in Hong Kong and Canton, China counts a score of great corporations in which he is one of the controlling figures.

Greece and Serbia received 25,000,000 pounds of food in thirty days from the Red Cross.

KAISER'S CLOTHES NOW GOING CHEAP

LONDON, Dec. 18.—The Berlin Beerdien Zeitung states that an inventory of the ex-kaiser's private belongings at the Berlin and Potsdam palaces, led to the discovery of the famous imperial wardrobe, including 598 German and foreign military and naval uniforms.

The ex-kaiser's styles have been confiscated. The confiscation order included several thousand horses which the former emperor claimed to own personally, but which, it is said, were bought with state funds.

Negotiations between the Soviet and Prince Eitel, regarding the safeguarding of the fortune of the Hohenzollerns are progressing slowly. An agreement will be drawn up next month.

ANTI-FLU BAN IS ON AT TILLAMOOK

TILLAMOOK, Dec. 18.—Owing to the influenza epidemic assuming serious proportions in Tillamook this week, the authorities have again put the ban on all public gatherings.

MRS. W. B. SCOTT GAINS 25 POUNDS

HER PHYSICIAN SAID HE NEVER SAW SUCH A BIG IMPROVEMENT.

"I can hardly find words to express the gratitude I really feel over my wonderful increase in weight, health and strength," said Mrs. W. B. Scott, who resides at 911 Normandie Street, Spokane, Wash., recently in one of the most remarkable statements yet published in connection with Tanlac.

"I had suffered with my right nostrils open right up, the air passages of your head are clear and you can breathe freely. No more hawking, snuffling, mucous discharge, headache, dryness—no struggling for breath at night, your cold or catarrh is gone.

I just couldn't bear the thoughts of it. "I had been reading about Tanlac but my husband would not bear to me taking it. At last I sent and got a bottle without his knowledge, as I was so anxious to avoid another operation, and that was one of the luckiest days of my life. Tanlac soon gave me an enormous appetite and I have gained in strength and weight with every bottle. I am on my ninth bottle now, and have actually gained twenty-five pounds, which is all I lost. When my physician saw me about two weeks ago he said he never saw such an improvement in anyone and that the operation would not be necessary. You can imagine how delighted I was to wrap the second operation. It gave all my strength back now and I don't even feel it a task to do all my housework, including my cooking. I have suffered since childhood with constipation and since taking Tanlac I notice a big improvement in this respect, too. I am glad indeed to tell my friends about Tanlac and several of my neighbors are now taking it on account of what it has done for me."

Tanlac is sold in Klamath Falls by the Star Drug Co., and in Lorella by James Merc Co.
