## SECOND UNITED STATES OFFICIAL WAR FILM

# "AMERICA'S ANSWER"

NO ADVANCE IN PRICE

Star Theater Sunday and Monday

SPECIAL MATINEE SUNDAY

PRESENTED BY THE DIVISION OF FILMS COMMITTEE ON PUBLIC INFORMATION, GEORGE CREEL, CHAIRMAN

You want to know how the Government is spending your money in its prosecution of the Great War. You want to know just what your Soldier Boys are doing in France. "America's Answer" tells you... This pictorialization of the greatest War Drama in all history has been made and is presented for public consideration, not to make money—although it must necessarily produce a revenue, in order to meet the expense involved—but in order to show the millions of contributors to the several Liberty Loans, the purchasers of Thrift and War Stamps, Tax-Payers, and those who have so generously given in other ways for the needs of the war, exactly what has been accomplished in France during the first year of America's participation in the Struggle for Democracy.

While showing the tremendous activities of the United States in France, growing out of the colossal needs of the war, "America's Answer" also replies, in the thunderous roar of cannon and the driving force of America's Soldiers, to the kaiser's declaration that "America wouldn't fight." The answer has already reached the Hohenzollerns... It is your duty, as well as your privilege to see "America's Answer."
