CINDERS AND SOMETHING ELSE

We are going to do something that we had resolved never to do, and which we will never do again, no matter how great may be the provocation; and that is to refer directly or indirectly to any criticism of any policy advocated by The Herald, when that criticism is based on a false premise.

We were visited this morning by a gentleman who took exceptions to our stand, because he believed they were a good thing, and he said that the reason we were opposing their use was because we had gravel to sell and wanted the city to use it.

ers should get value received for every cent expended, and it is going to be the duty of The Herald to see that this is done.

OREGON AUTO TAXES TO BE RAISED SOON

SALEM, Jan. 29.—Sweeping changes in schedule of rates for automobile licenses have been agreed upon at a meeting of the Senate roads and highways committee.

These increased fees will bring more than \$1,000,000 annually into the coffers of the state highway fund, if the tentative schedule agreed upon is enacted into the general road law now being framed.

The greatest increases were made in the license fees to be exacted from the higher-priced passenger cars and heavy automobile trucks.

Automobile trucks from 1 1/2 to 2-ton capacity, which now pay \$15, are required to pay \$30 under the new license tax of \$6 a year, will be compelled to pay \$40 per year under the rate.

Trucks from 2 to 2 1/2 tons are raised from \$18 to \$45; trucks from 2 1/2 to 3 tons, from \$21 to \$60; 3 to 3 1/2 tons, from \$24 to \$75; 3 1/2 to 4 tons, from \$27 to \$100; 4 to 5 tons from \$30 to \$200.

All trucks of more than five tons capacity must pay an annual license fee of \$300, while all trucks of more than six tons capacity must pay a fee of \$500 a year.

Except for motorcycle and bicycle fees, the tax is increased from 100 to 750 per cent, and members of the committee said that the money to be derived from the increased tax will be considerably in excess of \$1,000,000 if the new rates are adopted.

Our Piano Sale Closes Saturday

Your chance to make a substantial saving on a new or used piano will soon be past.

These pianos offered were shipped unboxed, in harness, by carload, before the freight raise, and we saved nearly one-half present tariff. Since starting our sale there has been an average raise of \$15.00 per instrument wholesale by the Eastern factories.

Wise buyers will act, and act at once.

THIS WOMAN ONLY WEIGHED NINETY POUNDS

TAKES TANLAC AND SHE NOW WEIGHS 135 POUNDS—CONDITION WAS ALARMING

"When my wife began taking Tanlac she only weighed ninety pounds and she now weighs one hundred and thirty-five, giving her an actual gain of forty-five pounds," said Clarence E. Mallin, the well known contractor, living at 815 West Fifty-first street, Seattle, Wash., recently.

Mr. Mallin's statement, while indeed remarkable, is by no means exceptional, as thousands of well-known people all over America have testified that they have used the Master Medicine with the same astonishing and gratifying results.

"Mrs. Mallin commenced to fail in strength and go down hill two years ago, just after the birth of our last baby," continued Mr. Mallin. "Her appetite was very poor and she would get so weak and dizzy at times that she would have to catch hold of something to keep from falling. The least little thing would bring in one of these dizzy spells. She always suffered this way just after getting up in the morning and was hardly ever free from headaches. I have known her to go five or six nights in succession without getting any sound sleep and I don't see how on earth she ever managed to do her housework, as she would have to either sit down or lay down every little while during the day. As I said before, she only weighed ninety pounds and her condition was getting to be alarming.

"She never seemed to be able to get anything to help her, so I got her to take Tanlac and now she is just like a new person and I have never seen her looking better. Her appetite is just fine, she thoroughly enjoys her food and has not had a sign of dizziness since she began taking Tanlac. She sleeps like a child now, is cheerful and happy all the time and her work is not the least trouble to her. "Well, I had been suffering a great deal with rheumatism in my arms and shoulders. I could scarcely raise

my hands to my head and my right arm especially was so stiff that it took every bit of nerve and will power I had to do any work. So I decided to try Tanlac myself, as it was doing my wife so much good and now I never feel a sign of rheumatism. I can swing my arms and use them without feeling a pain of any kind and I also have picked up five or six pounds since I began taking the medicine. I certainly have every reason for praising Tanlac, for it has been a wonderful thing for both my wife and myself."

Tanlac is sold in Klamath Falls by the Star Drug Co., and in Lorolla by the James Merc. Co.—Adv.
