

A Matter of Honor

Only an expert can judge the quality of most articles a jeweler sells. Price is not an element of quality, for there is a best in inexpensive as well as expensive goods.

At Upp's it is a matter of honor to deal in fine quality only, representing it truthfully and pricing it fairly. We consider our reputation a priceless asset, not to be sacrificed by "making a sale."

There is never a question mark in the wedding gift from Upp's. The gift with our imprint establishes the quality of your present. The bride knows you gave her the best of its kind.

OREGON RETAIL DEALERS MEET SOON AT SALEM

PORTLAND, Jan. 30. Retail merchants of every kind, from every part of Oregon, will assemble at Salem February 19, 21, and 22 for the annual convention of the Oregon State Retailers' Association.

Many prominent men will address the convention, declares Edward A. MacLean, manager of the association. A welcome is extended to all merchants to participate in the convention, irrespective of membership. In Portland formal invitations to the convention have been received by the Greater Portland Association and the Portland Grocers' and Merchants' Association.

The Salem Business Men's Club is making elaborate plans for the entertainment features which will surround the business sessions of the conference. The convention will attend one of the sessions of the State Legislature in a body.

The problems of business reconstruction will be discussed by prominent speakers, especially those problems as they affect the retailer, asserts George Custer, of Silverton, president of the retailers' association.

Economies which have been enforced by reason of the war have proven so advantageous to the members of the association that they will be urged to make them a part of their business life in the future.

TURN HAIR DARK WITH SAGE TEA

IF MIXED WITH SULPHUR IT DARKENS SO NATURALLY NOBODY CAN TELL

The old-time mixture of Sage Tea and Sulphur for darkening gray, streaked and faded hair is grand-mother's recipe, and folks are again using it to keep their hair a good, even color, which is quite sensible, as we are living in an age when a youthful appearance is of the greatest advantage.

Nowadays, though, we don't have the troublesome task of gathering the sage and the mussy mixing at home. All drug stores sell the ready-to-use product, improved by the addition of other ingredients, called "Wyeth's Sage and Sulphur Compound" for about 50 cents a bottle. It is very popular because nobody can discover it has been applied. Simply moisten your comb or a soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, but what delights the ladies with Wyeth's Sage and Sulphur Compound, is that, besides beautifully darkening the hair after a few applications, it also produces that soft lustre and appearance of abundance which is so attractive.

at the MOVIE THEATRES

Suffering endured by the pioneers of the West in the days when the advance guard of civilization traveled by mule and ox-teams in great, winding wagon-trains, are graphically depicted in "The Arvan," the Triangle feature in which William S. Hart is starred. An entire company, composed of more than 100 people and equipped with the complete paraphernalia of Hartsville's days of "49" department, consisting of ox-teams, prairie schooners and stage coaches, journeyed to the Mojave desert for the proper atmosphere. A location on the old Santa Fe trail was found suitable for the purpose.

Pioneer towns of the West are also shown in the production, two of them having been constructed at Hartsville. One is said to be a reproduction of the ghost city of Bodie, known as the "home of bad men." At the Temple tonight.

Norma Talmadge's latest Select Picture is "By Right of Purchase," directed by Charles Miller, which will be the feature attraction at the Star Theatre tonight. In the words of a prominent reviewer on "The New York Review": "Miss Talmadge goes on apace. No other picture star has made such rapid upward strides as

SHOULDER ARMS TO BE RIOT OF FUN

What is expected to be a riot of fun is scheduled for the Star Theatre Friday evening when the king of fun makers, Charlie Chaplin, will appear in his celebrated play, "Shoulder Arms."

This film, is declared to be the funniest of the funny man's stunts and his antics in the burlesque on the world war are convulsing. A large part of pictures were taken in the trenches in France. "It is not until this picture is seen that it can be realized how one man could shake the foundations of the German Empire and win the affection of a pretty girl at the same time."

Hot Water for Sick Headaches

Tells why everyone should drink hot water with phosphate in it before breakfast.

Headache of any kind is caused by auto-intoxication—which means self-poisoning. Liver and bowel poisons called toxins, sucked into the blood through the lymph ducts, excite the heart which pumps the blood so fast that it congests in the smaller arteries and veins of the head, producing violent, throbbing pain and distress, called headache. You become nervous, despondent, sick, feverish and miserable, your meals sour and almost nauseate you. Then you resort to acetanilide, aspirin or the bromides which temporarily relieve but do not rid the blood of these irritating toxins.

A glass of hot water with a teaspoonful of limestone phosphate in it, drunk before breakfast for awhile, will not only wash these poisons from your system and cure you of headache, but will cleanse, purify and freshen the entire alimentary canal.

Ask your pharmacist for a quarter pound of limestone phosphate. It is inexpensive, harmless as sugar, and almost tasteless, except for a sourish twinge which is not unpleasant.

If you aren't feeling your best, if tongue is coated or you wake up with bad taste, foul breath or have colds, indigestion, biliousness, constipation or sour, acid stomach, begin the phosphate hot water cure to rid your system of toxins and poisons.

Results are quick and it is claimed that those who continue to flush out the stomach, liver and bowels every morning, never have any headache or know a miserable moment.—Adv.

IT'S NOT YOUR HEART; IT'S YOUR KIDNEYS

Kidney disease is no respecter of persons. A majority of the ill-afflicted people today can be traced back to the kidney trouble.

The kidneys are the most important organs of the body. They are the filters of your blood. If the poisons which are swept from the tissues by the blood are not eliminated through the kidneys, disease of one form or another will claim you as a victim.

Kidney disease is usually indicated by weariness, sleeplessness, nervousness, despondency, backache, stomach trouble, pain in loins and lower abdomen, gall stones, gravel, rheumatism, sciatica and lumbago.

All these derangements are nature's signals that the kidneys need help. You should use GOLD MEDAL Hair Lem Oil Capsules immediately. The soothing, healing oil stimulates the kidneys, relieves inflammation and destroys the germs which have caused it. Go to your druggist today and get a box of GOLD MEDAL Hair Lem Oil Capsules. In twenty-four hours you should feel health and vigor returning. After you feel somewhat improved continue to take one or two capsules each day, so as to keep the first-class condition and ward off the danger of other attacks.

Ask for the original imported GOLD MEDAL brand. Three sizes. Money refunded if they do not help you.
