### RETURNING HUNS LET STEEDS GO FOR TABLE USE

MUNICH. (Correspondence of the Associated Press).—The returning and demobilizing armies here, in great part, come quietly home, put down their arms and disband without trouble. A small percentage of the unruly element, such as compose the Liebknecht-Spartacus Anarchists group, however, has made as much as possible, and has shown special fondness for crooked horse deals.

The Peasants' Council of Munich makes public a report to show that hundreds of returning soldiers have been permitted to keep a horse as a souvenir. The permission naturally does not come from the military authorities but from underlings and the soldiers have then put the animals thus secured on the market at ridiculous prices.

One regiment that should have had 500 horses returned with but 80, the rest having been sold, in many cases it is feared, for slaughter—an easy way of concealing all traces. The city authorities recently confiscated 97 animals that had been sold in this underhand way for slaughter. The Peasants' Council has organized a guard of 40 men to help down the evil.

Fine feathers make fine birds, but Jewel Carmen in her latest William Fox photoplay, "Lawless Love," theater tonight only, finds that a theatre rington only finds that a bandit who turns straight for love is a better man than her dancing partner in his Broadway clothes. Don't miss the Liberty tonight. It

### Dearest Public:

Pretty today, isn't it? Please accept another of our thanks. I was going to tell you a story of a real itching of the heart, the birth stone and the sweet and happy ending, but you'll have to wait a day or two, as the heroine can't do this part, as it is too cold for her regalia, as this is a summer scene.

Course, Mable, you won't understand, but I have to eat so much you must, if you have the money, come and get one of these umbrellas, as they are the class, and are the right prices.

Sweetest little bud vases at six bits a one. The Amethyst for this month, and you should wear one if you wear nothing else—I mean do nothing else, as you won't have any luck, no matter what you do. Most of the amethysts come from Brazil and Uruguay, in South America. The royal purple colors are the best grade, and are very handsome.

Don't forget the alarm clocks, we got a lot of them at prices. When will this world be stagnation? When the women are all gone. Say, ain't you goin' to get any sex? The eyesight is the dearest thing God has to give, and we think something is the matter with a person that economizes on their eyesight.

We got fountain pens for a DOLLAR. They are nearly human, as they are self-fillers. Did you ever get full by seven?

We have seven serving trays that we will sell for a dollar each this week. Ignorance is something we all have and don't know it. We got a big stock of silver ware that we got to sell, so see us quick. Guaranteed watches \$2.00 and \$2.50, and we don't want your money if they don't prove satisfactory.

Some wimmin get married again 'cause dead men tell no tales. And, Mabel, if this "he person" says you are not really the first, but something just as good, make him go strong on the diamond before it's everlastingly too late.

Nothing is supposed not to be divisible at all, but it's divisible by two.

Suppose she marries the guy with a future—nothing divided by two, eh, Mable?

Seriously speaking, we like you and want your patronage. If you need anything in the jewelry line we'd like to quote you a price. Hurry to our aid. McHattan's, at 605 Main street.

#### MOOSE DANCE

Saturday evening we dance with the Peerless Orchestra, which comprises the best musicians in Klamath. They will furnish the latest music for dancing. There will be plenty of dances to keep two dances running. If you wish to enjoy a pleasant evening dancing, come. 13-31

#### CHANGE IN ARRANGEMENTS

Owing to the demand for seats on Saturday and Sunday evenings at the Liberty theater, the management wishes to announce that on these two evenings children cannot be admitted on the parents' tickets, as heretofore, but will have an opportunity at each matinee on Saturday and Sunday to take advantage of this privilege, as a child under 12 years of age will be admitted free with each 20c ticket at all matinees and evening performances except Saturday and Sunday night. Children will see the same show, complete, as would be seen in the evening, and gives the grown-ups a better chance for seats. In addition, a special comedy for children will be shown every Saturday matinee. 12-4t

### Jewelry For Valentines

The custom of using jewelry for valentines is a very pretty one, indeed. Certainly to be remembered on the 14th of February with a present of a dainty pin, a handsome ring, a stylish scarf pin, or some other article of jewelry, is to be highly complimented.

It need not be an expensive present. At Upp's you will find many pieces of jewelry of the quality one likes to give, at not-too-costly prices for a valentine.

Set rings, \$3 to \$100  
Bar pins, \$1 to \$3.50  
Brooches, \$1 to \$25  
Lavalliers, \$5 to \$75  
Scarf pins \$1 to \$25  
Cuff links \$1 to \$15.
