ROBERTS LAYS HIS CRUTCHES ASIDE

RELIEVED OF RHEUMATISM BY TANLAC AFTER SUFFERING EIGHTEEN YEARS

"Tanlac relieved me of eighteen years of suffering and more than that, it has added thirty pounds to my weight," said F. Roberts, who lives at 824 West Nora St., Spokane, the other day.

"When I look back over the past eighteen years of my life," he continued, "I wonder how in the world I ever stood all the suffering I went thru with. I had rheumatism in both of my feet and legs, and sometimes they would swell terribly. It was the same with my arms from my finger tips to my elbows, and I couldn't use my hands at all. For eighteen months before I began taking Tanlac it was impossible for me to walk except on crutches. Sometimes for days at a time I would just have to sit down and suffer agonies nearly every minute and when night came my suffering was so great that I rarely ever slept very much. To add to all the rest of my troubles my stomach went back on me, and it seemed impossible for me to find anything to eat that would not make me suffer afterwards. When I tell you that I lost over seventy-five pounds in weight you will have some idea how I was going down hill. I think I must have taken a hundred different kinds of medicine but none of it brought me any relief.

"I had about lost faith in medicine, but when I saw Tanlac advertised I made up my mind that I would try just one more, and if I failed to get relief I would never spend another dollar for medicine as long as I lived. But Tanlac helped me from the very first, and by the time I had finished my first bottle I could feel a wonderful improvement. My appetite came back and I was soon eating three square meals a day, and I got so I would get hungry between meals. The more Tanlac I took the more I could eat and the better I felt, and it wasn't long before I laid my crutches away, for I could walk without them. And then I could begin to use my hands a little. I saw that I was coming back strong so I just stuck to my Tanlac and—well just look at me now. I am free from all my troubles and as well and strong as I ever was and work hard every day and as long as I live I will praise Tanlac for all it has done for me."

Tanlac is sold in Klamath Falls by the Star Drug Co., and in Lorell by the James Merc. Co.—Ad.

after pain, is dear little, sweet little Virginia Houston, a Southern beauty, Virginia Houston, a Southern beauty, May Allison. The title of "A Successful Adventure" doesn't give half an inkling of the charm and excitement of this brilliant comedy drama. As Virginia Houston, Miss Allison undertakes to heal an old family feud. This she does by means of masquerading as a servant in the household of her own uncle. There she meets mystery, love and danger. There is something about "A Successful Adventure"—and the star as Virginia,—that steals into the heart and stays there. Laughter, tears and thrills are all present in this five-act photodrama at the Liberty tonight.
Thrilling Aerial Feats Feature big Circus Serial at Temple tonight. Eddie Polo, Eddie De Coma and others appear in "The Lure of the Circus."
Up in the dizzy heights of the Big White Top, or on the sawdust-carpeted earth where the rings are laid, the acrobats of big circus organizations are kings. Their work is joy for they know that the applause of thousands of spectators evidences the joy they have brought to the hearts of men, women and children through entertainment.
In "The Lure of the Circus," the thrilling Universal master serial in which Eddie Polo, a famous aerialist, is supported by a large cast of veterans of the sawdust ring, the work of acrobats and aerialists has been made a feature that will make motion picture fans gasp.
Besides Eddie Polo, more than 15 others of international prominence including Eddie De Coma, play important part in the production.
"The Lure of the Circus" is a gripping drama of the sawdust ring, big business, and love. It will be presented at the Temple Theatre tonight.
Douglas Fairbanks seems destined to score another immense success in his new Artcraft photoplay, "He Comes Up Smiling," which will be the attraction at the Star theatre tonight. He cheated the original role of Jerry Martin, a tramp, in the stage version produced in New York in 1914. The screen story was directed by Allan Dwan and written by Frances Marion.
"He Comes Up Smiling" is the tale of a tramp, or rather a young chap who tires of existence as a bank clerk and elects to follow the life of a knight of the road. His adventures on the big highway, his contests with other tramps, his defeat of a stock market scheme and his final winning of the girl of his choice, are the elements of a story so mirth-provoking that it is said to exhaust even those who love to laugh and grow fat.
