"The Caillaux Case," the sensational William Fox photo-drama, which appeared at the Liberty Theatre yesterday for the first of its two day engagement, was deservedly greeted by enthusiastic audiences.

The picture is not fiction, but fact. It is all the more fascinating because the stirring events recorded are a part of history and the persons involved are well known to readers of the daily press.

The killing of Gaston Calmette, editor of the Paris Figaro, by Mme. Caillaux, wife of the former French

"The Caillaux Case" WILLIAM FOX PRODUCTION

Minister of Finance; her trial and acquittal; the notorious political and financial deals of her husband; Caillaux's connections with Bolo Pasha, recently executed for treasonable relations with Germany, and his imprisonment on alleged evidence of disloyalty furnished by the United States make a picture that fairly thrills with dramatic climaxes.

Also the underground activities of the secret Order of the Grande Orient, which attempts to protect Caillaux from the law; the maddened Paris mobs demanding vengeance on the beautiful slayer of the patriotic

tor, Calmette; the intrigues and scandals in the Caillaux's private lives—all are part of the absorbing drama. At the Liberty tonight.

Spurned by the villagers, among whom he had lived an upright life for two years, when they learned he had been a bank robber, Jora Olsen, discouraged, gets out his tools and breaks into the bank and, piling all the money, sets fire to it in revenge for their lack of charity. But before the bank notes are more than searched, the detective who had sent him up before and the girl he loves, enter the bank. What happens to Olsen and how he finally proves he is all a man is shown with great dramatic force in "All Man," the vitagraph Blue Ribbon Feature which will be seen at the Temple Theatre tonight.

Harry Morey and Betty Blythe have the leading roles in this powerful drama of love and mystery.

Those who enjoy the weird and uncanny will feel thrills aplenty when they see "The Caillaux Case," which comes to the Liberty Theatre tonight. The rites and ceremonies of the secret Order of the Grande Orient to which the members of the "Caillaux ring" belonged, are sensational in the extreme, especially the "Oath of the Flaming Sword."

CREAM FOR CATARRH OPENS UP NOSTRILS Tells How To Get Quick Relief from Head-Colds. It's Splendid!

In one minute your clogged nostrils will open, the air passages of your head will clear and you can breathe freely. No more hawking, snuffling, blowing, headache, dryness. No struggling for breath at night; your cold or catarrh will be gone.

DRINK HOT WATER BEFORE BREAKFAST Says you really feel clean, sweet and fresh inside, and are seldom ill.

If you are accustomed to wake up with a coated tongue, foul breath or a dull, dizzy headache; or, if your meals sour and turn into gas and acids, you have a real surprise awaiting you.

Tomorrow morning, immediately upon arising, drink a glass of hot water with a teaspoonful of limestone phosphate in it. This is intended to first neutralize and then wash out of our stomach, liver, kidneys and thirty feet of intestines all the indigestible waste, poisons, sour bile and toxins, thus cleansing, sweetening and purifying the entire alimentary canal.

Those subject to sick headaches, backache, bilious attacks, constipation or any form of stomach trouble, are urged to get a quarter pound of limestone phosphate from the drug store and begin enjoying this morning inside bath. It is said that men and women who try this become enthusiastic and keep it up daily. It is a splendid health measure, for it is more inside than on the outside, because the skin pores do not absorb impurities into the blood, causing disease, while the bowel pores do. The principle of bathing inside is not new, as millions of people practice it. Just as hot water and soap cleans, purify and freshen the skin, so hot water and a teaspoonful of limestone phosphate act on the stomach, liver, kidneys and bowels. Limestone phosphate is an inexpensive white powder, and almost tasteless.—ADV.
