

ASHLAND "EGG DAY" BRINGS HIGH PRICES.

ASHLAND, March 7.—The "Ashland co-operative Egg-Selling society" held its first "Egg Day" Saturday, and 200 dozen eggs were sold, bringing two cents a dozen over the highest price offered by local buyers. Neighborhoods assembled their eggs at a central place and sent them in by their committeemen. The eggs are candied at headquarters and sold at Portland prices, less express or put in cold storage. The society is under the control of the local farm bureau. No eggs over one week old are marketed.

MANY SOLDIERS GET BONUS OF SIXTY DOLLARS

WASHINGTON, D. C., March 7.—Discharged officers and enlisted men of the United States army who are entitled to claim the bonus of \$60 authorized by the recent act of congress, approved by the president Feb. 24, will make their applications for the bonus directly to Washington, D. C. The following telegraphic instructions from the adjutant general have been received at the spruce production division headquarters here:

All persons separated from active military service from April 6, 1917, to date of receipt of these instructions, who are entitled to the \$60 bonus in reference, and who have received their final pay, will forward claim for such bonus direct to the zone finance officer, Lemon building, Washington, D. C., who is hereby designated to settle such claims. Such applications must contain:

(a) The discharge certificate or order for discharge or relief, if no certificate was issued, but both certificate and order in both were issued, the paper bearing the indorsement of final payment being required.

(b) A statement of all military service since April 6, 1917, showing place and date of reporting at first military station, and

(c) Address to which check is to be sent. When settlement is made all personal papers will be returned to applicant with check. No further correspondence is necessary except to advise of change of address of applicant. No other disbursing officers are authorized to pay claims covered by this paragraph.

The scarcity of Dolman Capes is becoming more acute every day. They are the craze over the entire country. Only through my good friends I was fortunate in getting this splendid assortment, and I do not believe a single store outside of the real large cities, can now show the assortment we will have in our windows for Saturday's showing. My advice is, get your new togs early. The garment makers' strike in the East is going to put a big premium on the most desirable merchandise.—H. N. MOE

Army Style Shoes

for Army Style Boys . . .

Here's the shoe for red-blooded boys. Regular soldier shoes made in our factory right alongside of shoes made under government contract for our boys "over there."

Made from tough leather for hard service. Built to fit the foot so you can take long hikes as easy as though you were barefooted. They last longer than ordinary shoes, and hold their shape to the end.

The "American Boy" is a dressy shoe, too. You'll be proud of a pair, and all the fellows will envy you.

Look for the name. Tell your mother she can trust the merchant who offers "American Boy" shoes.

For the same shoe in men's sizes—ask for the Menz "Eaze."

Hose of Luxite The Man-Spun Silk

If it pleases you to pay a double price for your hosiery, continue to buy the product of the silk worm. But if practically all of natural silk's luxury at half its cost will satisfy you, buy Hose of Luxite. Luxite is spun by man in a large way, about as the worm spins silk in a small way, cutting the cost of the worm's work in two. It has the lustrous sheen of worm-spun silk, clinging softness and delightful daintiness.

We sell Hose of Luxite because it is our policy always to offer our trade the best values obtainable. Hose of Luxite comes in every fashionable shade.

GARICH'S GROCERY NEWS

VOLUME I.

KLAMATH FALLS, OREGON, FRIDAY, MARCH 7, 1919

NUMBER 6

EDITORIAL

The Garich Grocery house is going to be one that gets behind the newly reorganized fire department and will make an effort with the other business houses of the city to build this department up to the highest state of efficiency. During the period of the war, when the boys were nearly all at the front, it was difficult to maintain a department such as is needed, but now the boys are back, and there is no reason why the very best of fire service cannot be had in this city.

Yours for success.
