### BIRTH NOTICE

A son was born to Mr. and Mrs. Frank Stewart of Spring Lake on March 9th. Dr. George I. Wright was the attending physician.

### ANNOUNCEMENT

As the roads are now getting in shape to permit him to get about the county, Agriculturist Agent E. H. Thomas announces that farmers who wish to see him should make a definite appointment or else come on Saturdays, at which time he will be sure to be in his office. The office will be open, and may be reached by telephone any afternoon, but Mr. Thomas expects to be about the country a large part of the time from now on.

### SNOW VERY DEEP AT CRATER LAKE

There is still eight and a half feet of snow at Crater Lake, according to Assistant Superintendent H. E. Momyer, who has just come down from Headquarters camp for a short visit. It was ten feet deep when he went in a few weeks ago.

Mr. Momyer came down on snowshoes from the camp to Fort Klamath and will go back by the same method. He stays there alone and attends to the various records which are kept up by the government. He will return Monday.

### FOOD SITUATION SERIOUS THRU NORTH RUSSIA.

ARCHANGEL, March 15.—Information has been received by the Allied Food Commission in north Russia that indicates that the American people must deprive themselves of breadstuffs until the Russian question is settled and the country is again on a sound agricultural basis.

### RETURN TO PORTLAND.

Mr. and Mrs. C. W. Cornell, who have been visiting in Klamath Falls for a short time from Portland left for their home this morning. They are very enthusiastic about Klamath county and announce their intention of coming again when they can see more of the county.
