COMMISSION IS WELCOMED HERE

MANY MEET TRAIN AT DEPOT LAST NIGHT. RECEPTION GIVEN FOR MRS. BOOTH AT ELKS CLUB THIS AFTERNOON

The welcome of the members of the state highway commission who arrived on the train last evening, was sufficient to assure them of the attitude of the people here regarding the effort which is being made for better highways. A large number of cars were present at the depot where the commissioners were met as they stepped from the train.

The visitors consist of Mr. and Mrs. R. A. Booth, State Engineer Nunn and Earl Withycombe, son of the late Governor. After being taken to the Hotel last night they were served a dinner at a local restaurant and the evening was spent in an informal way.

The ladies of the city are planning an impromptu reception at the Elks Temple for Mrs. Booth this afternoon.

No More Days Of Less

Meatless, heatless, wheatless are days of the past; but the thrift born of them is with us to stay.

To demand the utmost for a dollar is one great lesson the world has learned. Along with other days of less, it has cancelled days of less service.

Service has always been the Goodrich measure of the value of tires; that is, what a tire proves itself worth in service on your car, and on the road.

You see promise of service in the burly, full rounded bodies of Goodrich Service Value Tires; and their thicker SAFETY TREADS, extra wide to fortify the sidewall against rut grinding.

You get fulfillment of promised service value in their dependability and durability wherever you take them.
