Keep a Watch Running True

It's a machine, you know, and must be cleaned and oiled. A tenth of a drop is all the oil that should be applied. That will last from 12 to 15 months. Then the watch must be cleaned and oiled again. Let Upp do this for you and, barring accidents, you will have a watch that runs true for a lifetime.

All work is guaranteed for a year, and prices are economical.

Serviceable School Shoes

For all ages of children from Kindergarten to High School.

The two cardinal points in the selection of children's shoes are: First—Correct Fit; Second—Sturdy Wearing Qualities.

This is, however, not so easy as it sounds, as years of experience are really required to determine just how growing feet should be fitted and just how to strengthen shoes where the wear comes hardest.

We offer to you our years of expert study on these very points, and ask that you entrust to us the care and safety of your children's feet, as well as the protection of your purse.

We are agents for Mrs. King First Step and Buster Brown Infants' and Children's Shoes.
