The Crime of Foolish Parents Who Ruin Children's Feet

Parents who've read the government bulletin on "Child Care" know that most deformed feet become deformed in childhood. The cause is wrong-shaped shoes. Usually you don't discover it until the child is grown. Then the harm is done.

This store gives particular attention to the fitting of children's feet; handles lines which will not have detrimental effects in after life. We take care to fit them so that they are sufficiently long not to cause enlargement of the joints, and not loose enough to cause blisters and calluses. We take care that they are not tight enough to bring on corns. We have prices that we know will please you, as the economical upkeep of our establishment makes this possible. Come in and talk this matter over.

LORELLA LOCALS.

The warm sunshine and winds of the past few days are fast drying up the muddy roads. People in this section of the country, who have been kept home so long by bad roads, are rejoicing that the days of their release are near at hand.

M. T. Prince arrived home last Tuesday accompanied by his bride. They will reside in Langell Valley, where Mr. Prince has a ranch. They were given a warm reception the evening after their arrival, by a large number of their friends who favored them with an old time Charivari. The noisy crowd was invited in by Mr. Prince and treated to cigars, nuts and candies. After congratulations had been extended to the happy pair, the crowd adjourned to Fordney's Hall where an impromptu dance was held.

Mr. and Mrs. Alfred Keller entertained a party of friends at their home on St. Patrick's Eve. The house and table decorations were in accord with the occasion. A bountiful and delicious six o'clock supper was served after which the evening was devoted to progressive Five Hundred, enough guests being present to make five tables. Miss Farnum, teacher in the Brown district, favored the company with several piano solos. A most delightful evening was spent by all present.

Mr. W. Fordney brought his truck out from town last Wednesday. He has been unable to make his regular trips for sometime, on account of the roads, but hopes to start again in a few days.

The next regular meeting of the Womans' Club will be held with Mrs. Will Campbell, Thursday March 27. Rev. Mr. Blackwell has been appointed minister for this district, and will preach at Lorella Sunday, March 23, at eleven a. m.

SPRING LAKE DRIPPINGS

Mr. and Mrs. W. F. Reece took dinner with Mr. and Mrs. Frank Stewart Sunday.

The farmers of this district met at the school house Thursday night to organize a poison club.

Mr. and Mrs. Gus Hilyard were visiting friends in this neighborhood Friday.

The Dawson children visited with Stella Schreiner Sunday afternoon.

Miss Isa Wilson helped Mrs. Stewart with the work a couple of days this week.

At the Theaters

Attracting a capacity audience, Dorothy Dalton's latest Thomas H. Ince production for Paramount, "Tyrant Fear," was displayed at the Star Theatre yesterday. To the admirers of Dorothy Dalton of whom there are many in this city as the reception to her latest picture amply testified, her newest vehicle proved in no sense inferior, if it does not surpass in strength of construction and interest, her recent pictures, "Flare-Up Sal," and "Love Me," which made so pronounced a hit on their presentation here some weeks ago.

SHRINERS MEET NEXT YEAR MAY BE AT PORTLAND

With her band and patrol of drilled men, Al Kader Temple of the Nobles of the Mystic Shrine of Portland will lead a caravan from the Northwest to Indianapolis in June, and the representatives of shrinedom expect to bring back the imperial session for 1920.

Following a report from its campaign committee Al Kader Temple voted to taboo the piker in playing the game for the big convention of 1920, and to finance a campaign that will lead to the expenditure of thousands of dollars to attain the result desired.

Members of Al Kader Temple have pledged themselves for \$40,000 of the \$100,000 that Portland must raise as an entertainment fund. The balance of \$60,000 will be solicited from the business interests of the city. Joseph R. Bowles of the Northwest Steel company is chairman of the finance committee.

BACK TO HOOD RIVER.

Lieutenant George C. Huggins and Mrs. Huggins who have been visiting here for several days from Hood River left for that point this morning. Lieutenant Huggins is an enthusiastic booster for Klamath County and expects to get back here to live at no distant date. While in the army he interested a number of his associates in this district and believes a number of them will be here.

DEAREST PUBLIC

It has been decided that we, the people of Klamath, in order to form a more perfect union, and to establish county tranquility, enter into and form what shall be known as a League of Nations, which shall be in hearty unison with the National League. A notion is a state of mind. No mind, no notion. Example: A person takes a notion that he will buy his lady-love a diamond; does it; kisses her nity-nite; the notion grows, then the wedding ring. Notions little notions, then the baby ring, the bib set, the beauty pins, the knife and fork and spoon, and the silver mug. Tranquility is brought about when public servants exercise brains instead of temper, when the public welfare is at stake.

Just had a long distance call from dreamland, and it was from Rip Van Winkle, and he says that the Klamath road noise awakened him; he

If only you could hang your feet on the strap.

Your poor tired arches carry a load all day that nature never meant them to carry. Shoes make bridges of your arches. They carry the whole weight of your body without support. In time the arches break down. The first symptom is extreme weariness, and often pains in the legs and back. Take warning. The

Wizard Adjustable Arch Builder

provides the support nature intended your arches to have. By distributing the weight of your body evenly over the feet the strain is avoided and serious consequences averted. You can walk, dance or stand without becoming unaturally tired. The Wizard Adjustable Arch Builder is not an ordinary metal plate arch support. It is a featherlight, flexible, all leather device that can be adjusted to fit your arch by simply arranging the inserts in the pockets so that they feel comfortable. They give instant and permanent relief. If you have been wearing ordinary arch supports change and get a pair of Wizard Arch Builders. By gradual adjustments at home, you can build up your own arch to normal, with ease and comfort. All good shoe dealers sell Wizards

also says that a good road is a good thing for those who care to go any place with comfort.

Comfort takes many forms. Some day we will tell you all of them. Wear colored glasses to protect your eyes from the sun, and wear spex to see what some one has said.

"He who steals my purse steals trash."

You know the rest of the quotation, and don't forget it, because you might need a boost instead of a knock yourself, sometime. Lots of alarm clocks. A \$20.00 cuckoo with a sanitary bird, this week \$10.00. Guaranteed watches, \$2.00 and \$2.50.

Eversharp pencils and fountain pens. We have lots of things we want to sell at prices that are affain gas in effect. "The latest," a vacuum bottle that is indestructible, price \$10. Come in and see it. "A dollar saved is a dollar earned." How's your earning capacity?

What's your birthstone? Have you any old gold you want to sell? Our repair department will save you money. If it's jewelry you want, see us before you buy. McHattan, 605 Main St.
