DEAREST PUBLIC

Thank you, very much. With the advent of Spring we have the latest in vane pins. These keep the vane in position so the "map" can be properly camouflaged; also keeping out microbes and other forms of life. A kiss is some bias and a microbe.

Gentlemen's soft collar pins, the latest creations.

And, Birdie, if you have the time, we have the inclination. Lots of alarm clocks. Big stock of \$2.00 watches.

New stock of wrist watches in fancy shapes. Dearest, you have no idea how much comfort you are to me.

Who will buy my Howard watch for \$50? We got \$1.50 alarm clocks, so there ain't any excuse for being late, and you should lose your job if you are.

New stock of Elks lapel buttons. See these, as they are the newest designs. New stock of china at the furthest prices.

Ain't Spring the nicest? I bet it's fun to be a bug and just "woller" around and not care a dam. Some people have bugs of their own; some outside and some inside the "dome."

Say, you little wreck, come in; I want to see you. McHattan, at 605 Main street.

JAZZ ORCHESTRA ENLARGED

Owing to the liberal patronage extended to the dances at the Houston opera house, J. V. Houston has found it advisable to add three more players to his jazz orchestra, which has become so popular. The enlarged group of musicians will be on hand at future occasions, according to an announcement made today by Mr. Houston.

All Phonographs in One Truly Describes

The Brunswick

ALL PHONOGRAPHS IN ONE

Every artist who makes a record, every soloist, every band, orchestra or comedian, is available to Brunswick owners—available because in the Brunswick is the ability to play at their very best every record made... Nothing to attach; nothing

to take off; just a turn of the hand, and the correct producer for any record is presented.

Brunswick tone is better, more resonant, more truthful, because of the all-wood construction of the Brunswick amplifying chamber, and superior beauty is accorded Brunswick cabinet work at first glance. At that, Brunswick Phonographs cost no more than others, and terms are easy.
