Canal and other points should be razed.

"Racial discriminatory treatment in these respects too, should be abolished and these islands not be left to white man's domination."

The opposite view was expressed by Yukio Ozaki, former Minister of Justice, in an address delivered in Tokio a few days ago in which he said:

"It is, indeed, a great honor for Japan to occupy the position of a stockholder in that great, international corporation, the League of Nations. The honor is far greater than Japan will obtain by the possession of the Marshall and Caroline Islands."

DR. CARTER DENTIST WHITE BUILDING PHONE 385

DEAREST PUBLIC

Again we thank you for the timely aid. "A word to the wise is sufficient" is a darn lie. Volumes to some of the self-appointed wise ones would avail nothing, but we really have some new things in seasonable articles.

Time waiteth for no one, and in the end its death, and yah stay that way quite awhile, so if something affords you a pleasure, buy it; don't wait till the "by mitt" puts you forever beyond it. Raise hell and buy jewelry; who cares.

We also have alarm clocks in case you need an early start. You will see some of our "drawers" in our windows.

"Glass house" folks needn't undress in the cellar any more, as the picture artists don't wear anything to stumble over any more. We should worry.

No luck without your birth stone. Diamonds for April. We have four second-hand watches and some love. Who is going to write the "Spring poem?"

Dash to our aid and remember our motto: "You can't better the best."

A dollar saved is a dollar earned. McLhattan, 605 Main street, west side.

Just received my new spring samples. I will be glad to call at your home to fit you to a Nu-Bone corset. I guarantee to fit you satisfactorily. Mrs. J. B. Vollmer, phone 223M 34\*

PRODUCER TO CONSUMER

In those homes where quality meats predominate, you will invariably find that they have been purchased at the People's Market.

Why? Because the highly developed taste demands meats of quality.

Logically and inevitably such a taste demands the best.
