NEWSY LETTER FROM THE FORT

WOOD RIVER VALLEY CORRESPONDENT NARRATES EVENTS AND MAKES SOME POINTED SUGGESTIONS TO CITY

James Pelton, who has spent the winter in Los Angeles is home to resume the duties of overseeing his extensive stock ranch.

Some of the stock men of Wood River Valley are turning stock on the grass. Much of the stock however is still on hay.

One of, if not the most enjoyable affairs of the season was the party given by the ladies in honor of the returning soldiers and sailors. Conspicuous among the many flags which decorated the Hall was the service flag with its thirty white stars grouped around the one gold one. It required no artistic nature for one to draw a mind picture of our thirty brave boys grouped around the mangled form of their friend and comrad, silently resolving if necessary to avenge his taking. Many were the moistened eyes fixed on that gold star and faltering voices were heard to say, Poor "Happy".

Music for the party was furnished by an orchestra from Klamath Falls and was highly appreciated.

The supper served by the ladies of the valley was such as one gets when it is prepared on these occasions by women whose hearts are full of patriotism and love for the boys in uniform.

The ladies who solicited money to defray the expenses are loud in their praise at the liberal manner in which all, except three men contributed. Those three men are being well advertised. The war is won and they did not have to go so what is a common boy who offered his life for theirs' and others' protection. Those three men know no gratitude.

And say while we are speaking of returning heroes. We note by the Herald of April 14, that an invitation has been extended Klamath Falls Chamber of Commerce to think up some cleverly worded greeting in which the words Klamath Falls appear. Also we note you say, "Here is an opportunity to take part in welcoming the heroes from France and to extend the fame of Klamath Falls." Now it perhaps has never occurred to you at the County seat that Klamath County is very dear to many of the boys, far more so perhaps than Klamath Falls, and that those boys from the country would feel that their own folks on the ranch were doing their part to make the home coming as pleasant as possible,

along with the others if those cards contained the words Klamath County.

Speaking of the Chamber of Commerce. I am very certain that the majority of the ranchers of Wood River are desirous of becoming members of that body and would do so if solicited. Often we hear them speak of the good that is being done by the Chamber of Commerce. We all realize that it is largely thru the Chamber of Commerce that the development of our county is brought about.

We would suggest that some day a committee of business men come up and drive over the valley and solicit memberships. Wood River stands for a better Klamath County, a better Klamath Falls which would mean, to use the words of the most clever advertiser we know, namely, Thad, "Better the best."

We stand for more farms, more factories, more business houses, fewer mail order houses and court houses.

Come up you business men, tell us you want us to help get the Natron cut-off. Complete the Strahorn road and incidentally tell us you will help drain the swamps on the Upper Lake.

It might just be added that the suggested aid of the Fort Klamath residents to the new Commercial body here, is not idle talk as the folks up there have demonstrated their broad policy in regard to work of this nature on previous occasions.

Their vote favoring a commercial body through county taxation in 1916 is well remembered.

TO DARKEN HAIR APPLY SAGE TEA

LOOK YOUNG! BRING BACK ITS NATURAL COLOR, GLOSS AND ATTRACTIVENESS

Common garden sage brewed into a heavy tea with sulphur added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Just a few applications will prove a revelation if your hair is fading, streaked or gray. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get a 5-cent bottle of Wyeth's Sage and Sulphur Compound at any drug store all ready for use. This is the old time recipe improved by the addition of other ingredients.

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and after another application or two, your hair becomes beautifully dark, glossy, soft and luxuriant.

NEW STRIKE IN SEATTLE FEARED

SEATTLE, April 18.—Labor leaders do not believe that a general strike will result from the meeting of the Central Labor Council called on Sunday to consider the general walkout on behalf of the Union Longshoremen who claim their employers are trying to establish an open shop.

REDDING, Cal., April 18.—Mayor Ole Hanson of Seattle said here that he had no fear of a general strike. "I will be back on the job Saturday," he

said "and the rank and file of Seattle labor will not stand for much more foolishness. Order will be maintained no matter what happens. The influence of the I. W. W. on the rank and file amounts to little."

STATE IS STRONG BEHIND BIG LOAN

PORTLAND, April 18.—Reports from County Chairman indicate that two-thirds of Oregon counties will be "over the top," in the Victory Loan Drive by nine o'clock on Monday morning when the campaign opens

Twenty four counties have indicated this in their reports. They are Benton, Clackamas, Columbia, Coos, Crook, Deschutes, Douglas, Gilliam, Grant, Hood River, Jackson, Jefferson, Josephine, Lake, Lane, Malheur, Marion, Morrow, Sherman, Tillamook, Union, Washington, Wasco, and Wheeler.

GARICH'S GROCERY NEWS

VOLUME I. KLAMATH FALLS, OREGON, FRIDAY, APRIL 18, 1919 NUMBER 12

EDITORIAL

There are three—not two—growing institutions in Klamath Falls—The Klamath State Bank, The Evening Herald and Garich's Grocery, and as an evidence of the latter, it has become necessary for us to double the size of our Grocery News—just to keep pace with the other two growing institutions, and a step ahead of all other development, and to give to the public that incomparable service so essential in all successful business concerns.

Co-operating further, Garich's Grocery News will take a leading part in the furtherance of the great highway development forecasted in the Herald of last night, as well as in raising the finances necessary to insure the construction of the Municipal Railroad to Sprague River, to the end that we shall have here, as the noted Dr. Gray said in his lecture: "One of the great cities of the Pacific Coast."
