FINISH THE JOB

Our job here at home is not over as long as there is one American soldier overseas — as long as one dollar is needed to finish the task.

Nearly a million Yanks are still "Over There" guarding what they won.

PLANS ARE MADE FOR SIMULTANEOUS RELEASE OF PEACE TREATY ON ALL PARTS OF AMERICAN CONTINENT

PARIS, April 24.—(By the Associated Press)—The council of four of the peace conference, in the interval before the peace treaty is handed to the German delegates, will take up the question of making the document public. Ray Stannard Baker, representing the American delegation, in agreement with the press advisers of the delegations of other countries, has recommended to the council the publication of the treaty immediately after its delivery to the Germans. Otherwise, it is pointed out, the first version of the important provision of the treaty would be issued by the Germans and might be loaded up with German propaganda.

The plan proposed on behalf of the United States is for the American delegates to cable for simultaneous distribution on the American continent, first a 250 word official summary of the treaty; second a 5000 word official summary and third, the text of the treaty. The two summaries would be given to the American press at about the same time and the treaty a day or two later, the text possibly to be distributed by installments, as it was received.

The text of the covenant of the league of nations has already been cabled to the state department at Washington for release when authorized by President Wilson. Other parts of the treaty are likely to be cabled during the present week. The final dispatch, which may count up to nearly 100,000 words, can be cabled in four or five hours if all the cable lines are cleared for the purpose. The capacity of the cables is 600,000 words a day and the associated governments could order the text of the peace treaty given first official priority so that the enormous task of transmission could be accomplished with less delay than a press message ordinarily sustains.

On the day the peace treaty is signed the American correspondents will have their telephones in the Louis XIV bathroom in the Versailles palace. The entrance will be by a secret door not 20 yards from the peace table, into a little corridor and thence down a few steps into the marble bathroom, which is sufficiently large for the installation of five or six telephones and one telegraph instrument.

DIVORCE SUIT FILED.

Suit for divorce has been instituted in the office of the County Clerk by Mrs. Goldie O'Donovan from John R. O'Donovan on the grounds of cruel and inhuman treatment and desertion. Renner and Chastain are the plaintiffs attorneys.
