SHASTA VIEW.

As the water of Tule Lake is creeping back and uncovering more land, those who have leased land on the lake front are getting busy as it needs attention soon after being uncovered.

Mrs. C. F. Stone spent Friday and Saturday in Klamath Falls.

Harry Wilson and family were visitors at Mr. Browns of Laugel Valley Sunday of last week.

Mr. and Mrs. L. S. Miller were Klamath Falls visitors one day recently. Mrs. Miller visited at W. W. Strawbridges.

The social at G. W. Myers last Friday night was well attended and very much enjoyed by all present. These gatherings help to keep the neighborhood alive and should never be neglected.

About nineteen of the young people of this community spent Saturday at the Lava Beds. All report a very pleasant day with the exception of one car being demolished, but no one injured.

Amos Book made a flying trip to Alturas last Friday night. He arrived home in time to take in the sights with the above mentioned party Saturday.

We are sorry to state that C. C. Garrison is moving his family to Merrill where they will be nearer his work.

Mr. and Mrs. W. H. Chandler's youngest son visited in Portland returned to their home here a short time ago.

IF BACKACHE OR KIDNEYS BOTHER

EAT LESS MEAT, ALSO TAKE GLASS OF SALTS BEFORE EATING BREAKFAST

Life will in meat excites the kidneys, they become overworked; get sluggish, ache, and feel like lumps of lead. The urine becomes cloudy; the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys clog you must help them flush out the body's urinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney region, you suffer from backache, sick headache, dizziness, stomach gets sour, tongue coated and you feel rheumatic twinges when the weather is bad. Eat less meat, drink lots of water; also get from any pharmacist four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean clogged kidneys and stimulate them to normal activity, also to neutralize the acids in urine, so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive, cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active. Druggists here say they sell lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.—Adv.
