WILHELM GETS EXCITED OVER RECENT NEWS

PARIS, May 15.—The Temps publishes a note from the Dutch legation at Paris declaring that the demand for the extradition of the former emperor has reached Holland.

AMSTERDAM, May 15.—(By the Associated Press.) An official abstract of the preliminary peace terms published to the Dutch newspapers, which was retranslated and read to the former German emperor, has aroused considerable excitement among the members of the Hohenzollern party.

An talking concerning what the emperor intended to do in connection with bringing William Hohenzollern to trial had reached the German officials earlier in the week. They communicated the information to the former emperor who displayed signs of marked emotion, but decided to await the appearance of a fuller official report before making the move known to her husband.

A special messenger motored to Arnhem Thursday to procure copies of the local newspapers. Meanwhile, the former emperor continued his usual occupation of sewing lace, but apparently he is suffering from over-exhaustion and nervous excitement. His saw worked as never before and his physician, Dr. Forster, who assisted him was completely exhausted at lunch time.

How the former emperor took the news the correspondent was unable to ascertain as every one in the castle is sworn to secrecy regarding happenings. Rumors were circulated in the village that he attempted to commit suicide by hanging, but these are considered canards since his attendants are quite calm.

The former ruler looked wonderfully well as he walked out to his sawing this morning. It seems undoubted that he intends to stay in Holland, if he can, thru the summer.

WHEN YOU WAKE UP DRINK GLASS OF HOT WATER

Wash the poisons and toxins from system before putting more food into stomach.

Says inside-bathing makes anyone look and feel clean, sweet and refreshed.

Wash yourself on the inside before breakfast like you do on the outside. This is vastly more important because the skin pores do not absorb impurities into the blood, causing illness while the bowels pores do.

For every ounce of food and drink taken into the stomach, nearly an ounce of waste material must be carried out of the body. If this waste material is not eliminated day by day it quickly ferments and generates poisons, gases and toxins which are absorbed or sucked into the blood stream through the lymph ducts which should suck only nourishment to sustain the body.

A splendid health measure is to drink, before breakfast each day, a glass of real hot water with a teaspoonful of limestone phosphate in it, which is a harmless way to wash these poisons, gases and toxins from the stomach, liver, kidneys and bowels; important to keep clean and pure on thus cleansing, sweetening and freshening the entire alimentary canal before putting more food into the stomach.

A quarter pound of limestone phosphate costs but very little at the drug store, but is sufficient to make anyone an enthusiast on inside bathing. Men wake up with a dull, aching head or have furred tongue, bad taste, nasty breath, sallow complexion; others who have bilious attacks, acid stomach or constipation are assured of pronounced improvement in both health and appearance shortly.—Adv.

IT'S A POOR DOCTOR Who Won't Take His Own Medicine

THAT'S WHY WE ARE USING THIS SPACE TO TELL YOU WHAT JOLLY LITTLE BUSINESS STIMULATORS HERALD WANT ADS ARE—AND WHY THEY GET RESULTS

THERE IS NO GUESSWORK about a Herald Want Ad. They do the business. We know they pay. Our customers have told us so time and again. We have used them ourselves and they have never failed to get results. They are the short cut to a quick turn-over—the modern method of merchandising on a small scale, where the value of the article to be sold or the importance of the want to be filled will not justify a heavy outlay.

If you had something to sell, trade or give away and went out on the street and told each person you met about what you wanted to do, you might get results—but the people you talked to would be very likely to say: "That poor fish has bats in his belfry." If, on the other hand, you used a Want Ad, you would talk to the whole county at once, instead of only one person, and do it in a businesslike manner.

The same rule applies to hiring help, renting a house, looking for a job, or any one of the important little incidents of life where you must call in the assistance of someone outside your immediate family. You MIGHT get results by telling your troubles to the neighbors—but the certain, quick and economical way is to use a little classified ad.

Do you want to buy, sell or trade, want to hire help or find work; do you want to find a room, a house to rent, or to rent the same to someone else; do you want to call attention to some new feature of your business, seek information on some subject, or have you any little unfilled want?
