

Loyal Citizens OF Klamath Falls

Patriotism, like Charity, begins at Home.
Loyalty to our Country comes FIRST.
Loyalty to our State and Loyalty to our City come next.
We have a great problem of City Expansion and City Prosperity before us.
It must be solved in the next two days.
We must solve it ourselves.
We can look for no help outside of this city.
This is a loud call to civic patriotism.
Do you wish to see Klamath Falls a great and beautiful city?
Do you wish to see Mills and Factories grow up in our waste places?
Do you wish our present prosperity to continue and grow marvelously?
Do you wish a prosperity for the many and not for the few?
Then be sure to vote on Wednesday the 21st.
To vote is your duty—always—
To vote FOR the transfer of the Municipal Railway to the Oregon, California and Eastern Railway Co., on Wednesday, the 21st, is your paramount duty. This State and this City expects every voter to do his duty on Wednesday, May 21st.
