FEW FOLKS HAVE GRAY HAIR NOW

DRUGGIST SAYS LADIES ARE USING RECIPE OF SAGE TEA AND SULPHUR

Hair that loses its color and lustre, or when it fades, turns gray, dull and lifeless, is caused by a lack of sulphur in the hair. Our grandmothers made up a mixture of Sage Tea and Sulphur to keep her locks dark and beautiful, and thousands of women and men who value that even color, that beautiful dark shade of hair which is so attractive, use only this old-time recipe.

Nowadays we get this famous mixture, improved by the addition of other ingredients by asking at any drug store for a 50-cent bottle of "Wyeth's Sage and Sulphur Compound," which darkens the hair so naturally, so evenly, that nobody can possibly tell it has been applied. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning the gray hair disappears; but what delights the ladies with Wyeth's Sage and Sulphur Compound is that, besides beautifully darkening the hair after a few applications, it also brings back the gloss and lustre and gives it an appearance of abundance.

Chosen to Represent Irish Republic at Paris Peace Conference, But Is in Jail

Prison bars stand between Professor Edward de Valera and a trip to Paris as a delegate to the Peace Conference to represent the Irish Republic. Three delegates were chosen after the Irish parliament adopted a declaration of independence. The others are Count Plunkett and Arthur Griffiths. The latter also is in jail. This photograph shows Professor de Valera while making an anti-conscription speech before a large crowd of Sinn Feiners.
