

## COUNTRY TO GET \$11,000,000 FROM M. E. CENTENARY

Methodists Contemplate Big  
Programme World Over.

\$105,000,000 TO BE RAISED

Denomination Gets New Conception of  
Church Services—Farm Experts to  
Be Preachers in Every Rural Center  
in Country.

Saving children from infantile pa-  
ralysis, hogs from hog cholera and  
crops from insect pests are "church  
services."

So the new church, the regenerated  
church of the reconstruction period,  
understands "service" in the rural  
districts of America.

The old-time "country parson" is  
passing.

In his stead comes the man who  
knows what to do not only with a  
Bible and a hymn book, but with a  
gotato bug, a family quarrel, a bad  
road and a shortage of seed corn.

The church as a factor in the social,  
political and economic life of the rural  
district; religion as practical as well  
as spiritual service, are not experi-  
ments. The new church and the new  
pastor have proved themselves and  
found themselves at the same time.

Pastor Finds Hog Cholera.

Take the story of Lakeville, Holmes  
county, Ohio.

Fresh from his theological studies,  
Charles M. McConnell went to Lake-  
ville five years ago as pastor of the  
Methodist church there.

McConnell was sent to Lakeville  
because the Methodist board of Sun-  
day schools chose it as the least prom-  
ising "charge" they could find. And  
the board wanted to experiment.

The new pastor found a moribund  
church and an epidemic of hog chol-  
era. McConnell preached dynamic  
sermons. But he did not neglect to  
send to the State University for chol-  
era serum.

Two members of the church met  
some days later, and conversation  
veered to the pastor. One was du-  
dious about his theology.

"I don't know about his theology,"  
said the other, "but I do know that  
he saved my hogs. I'm for him."

An old church building was for sale  
at Kilbuck, 22 miles away. McCon-  
nell bought it in at auction for \$448.  
Hauled it to Lakeville, and in Decem-  
ber it was dedicated as the Lakeville  
Memorial Hall, to the boys who went

### METHODIST CENTENARY RURAL CHURCH PROGRAM

Expenditure of \$11,000,000.  
Establishment of effective  
training schools for rural church  
leadership.

A nation-wide educational cam-  
paign to increase the efficiency  
of the ministry now in service.

This is how the Methodist  
church proposes to rehabilitate  
rural churches in this gigantic  
five-year Centenary program.

into service. This was the first rural  
memorial hall dedicated anywhere in  
the United States.

In the hall is a standard motion pic-  
ture outfit. McConnell and two of his  
members bought it, projector, seats  
and all, for \$1,100, on their own re-  
sponsibility. Pictures are shown every  
Saturday night.

\$11,000,000 on Country.

The farmers were losing money  
through ignorance of modern agri-  
cultural methods. McConnell arranged  
with the State University for a series  
of farmers' institutes.

The institutes were held in the  
church. Better orchards, better cat-  
tle, better crops were the result.

Through the country are the ruins  
of abandoned rural churches. The  
Lakeville church flourishes. But rural  
churches can not retain McConnells at  
existing rural church salaries. That is  
the Gordian knot which the Centenary  
program for American rural communi-  
ties is planned to cut.

In the next five years nearly \$11-  
000,000 of the \$105,000,000 funds  
provided for in the world reconstruction  
program of the Methodist Centenary  
will be spent to put such a man in  
every rural center in the country. In  
the Portland area of the Methodist  
Missionary Centenary (western Ore-  
gon, Washington and northern Idaho)  
\$1,324,000 will be spent by the Cen-  
tenary out of the total of \$2,600,000  
asked by the Centenary for its world  
reconstruction programme.

### GRIFFITH TO PRODUCE METHODIST PHOTO-PLAY

David Wark Griffith, the world-fam-  
ous motion picture director who pro-  
duced "The Birth of a Nation," "Intol-  
erance," and "Hearts of the World,"  
and the man who trained Mary Pick-  
ford, Dorothy and Lillian Gish,  
Blanche Sweet and many another star  
of the screen, is to make a picture  
play for the Methodist Centenary.

As a tribute to the memory of his  
mother, who was a Methodist, Mr.  
Griffith will direct and take a full  
set of motion pictures of the celebra-  
tion next July of the \$105,000,000  
Methodist Centenary at Columbus,  
Ohio. These pictures he will present  
to Methodists.

## CHILDREN OF RUMANIA ARE NEEDING SHOES

BUCHAREST, May 24.—Twenty  
thousand Rumanian war orphans  
thru the Rumanian War Orphan  
Society send out to the children of  
American appeal for old clothes and  
shoes. A pair of shoes costs a fabu-  
lous amount in Bucharest and the  
price of a suit of clothing is prohibi-  
tive. Thread is two dollars a  
spool. Underclothing costs fifteen  
dollars a suit. The cheapest pair  
of shoes costs \$100 and for a suit of  
shoddy material \$150 is asked. Wool  
cloth is \$24 a yard.

The American Red Cross commis-  
sion to Rumania is totally unable to  
meet the demand for clothing. Col-  
can Red Cross is co-operating with  
the War Orphan Society, has appeal-  
ed to American school children to  
sort out their old clothes and old  
shoes for eventual shipment to their  
needy little Allies in far-off Ruman-  
ia.

Queen Marie and Prince Carol of  
Rumania are intensely interested in  
the work being done by the Ameri-  
can Red Cross for the war orphans  
of Rumania. Prince Carol is active-  
ly co-operating with the Red Cross  
which has distributed tens of thous-  
ands of cans of condensed milk to  
the babies.

American doctors are having a  
hard fight to overcome the epidemic  
of smallpox which is taking heavy  
toll of the children. The war orphans  
are being vaccinated wholesale.

## MANY REJECTED BY DRAFT FOR TUBERCULOSIS

NEW YORK, May 26.—Sixty-two  
thousand men were rejected after be-  
ing called for service in the national  
army because medical examination  
it was announced by the National Tu-  
berculosis association following final  
tabulation of draft rejection slips  
from every state in the Union.

Approximately another 20,000 men  
it is also stated, were rejected for the  
same reason at army camps and nearly  
6,000 still in service are now being  
cared for in the army's special tuber-  
culosis hospitals.

To protect the nation's health by  
making proper provision for those  
rejected on account of the disease,  
the national associations, in co-op-  
eration with the surgeon general's of-  
fice, is following up each case and  
thru 1500 state and local societies is  
providing for necessary care and  
treatment.

### RAILROADS GETTING FURTHER IN ARREARS.

WASHINGTON, D. C., May 26.—  
An appropriation of \$1,200,000,000  
in addition to the \$500,000,000 al-  
ready provided for the railroad ad-  
ministration was requested today by  
Director General Hines. The estimate  
revealed the deficit for the first four  
months of this year to be \$260,000,  
000.

## EASY TO DARKEN YOUR GRAY HAIR

YOU CAN BRING BACK COLOR  
AND LUSTRE WITH SAGE TEA  
AND SULPHUR

When you darken your hair with  
Sage Tea and Sulphur, no one can  
tell, because it's done so naturally, so  
evenly. Preparing this mixture,  
though, at home is messy and trouble-  
some. For 50 cents you can buy at  
any drug store the ready-to-use prepa-  
ration, improved by the addition of  
other ingredients, called Wyeth's Sage  
and Sulphur Compound. You just  
dampen a sponge or soft brush with  
it and draw this through your hair,  
taking one small strand at a time. By  
morning all gray hair disappears, and,  
after another application or two, your  
hair becomes beautifully darkened,  
glossy and luxuriant.

Gray, faded hair, though no dis-  
grace, is a sign of old age, and as we  
all desire a youthful and attractive  
appearance, get busy at once with  
Wyeth's Sage and Sulphur Compound  
and look years younger.

## BEGIN HOT WATER DRINKING IF YOU DON'T FEEL RIGHT

Says glass of hot water with  
phosphate before breakfast  
washes out poisons.

If you wake up with a bad taste,  
bad breath and tongue is coated, if  
your head is dull or aching, if what  
you eat sours and forms gas and acid  
in stomach, or you are bilious, consti-  
pated, nervous, sallow, and can't get  
feeling just right, begin inside bath-  
ing. Drink before breakfast, a glass  
of real hot water with a teaspoonful  
of limestone phosphate in it. This  
will flush the poisons and toxins from  
stomach, liver, kidneys and bowels,  
and cleanse, sweeten and purify the  
entire alimentary tract. Do your in-  
side bathing immediately upon aris-  
ing in the morning to wash out of the  
system all the previous day's poison-  
ous waste, gas and sour bile before  
putting more food into the stomach.

To feel like young folks feel; like  
you felt before your blood, nerves and  
muscles became loaded with body im-  
purities, get from your pharmacist a  
quarter pound of limestone phosphate  
which is inexpensive and almost taste-  
less, except for a sourish twinge which  
is not unpleasant.

Just as soap and hot water act on  
the skin, cleansing, sweetening and  
freshening, so hot water and lime-  
stone phosphate act on the stomach,  
liver, kidneys and bowels. Men and  
women who are usually constipated,  
bilious, headachy or have any stomach  
disorder should begin this inside bath-  
ing before breakfast. They are as-  
sured they will become real cranks  
on the subject shortly.—Adv.

## KEEP URIC ACID OUT OF JOINTS

TELLS RHEUMATISM SUFFERERS  
TO EAT LESS MEAT AND  
TAKE SALTS

Rheumatism is easier to avoid than  
to cure states a well-known authority.  
We are advised to dress warmly;  
keep the feet dry; avoid exposure;  
eat less meat, but drink plenty of  
good water.

Rheumatism is a direct result of  
eating too much meat and other rich  
foods that produce uric acid which  
is absorbed into the blood. It is the  
function of the kidneys to filter this  
acid from the blood and cast it out  
in the urine; the pores of the skin  
are also a means of freeing the blood  
of this impurity. In damp and chilly  
cold weather the skin pores are closed  
thus forcing the kidneys to do  
double work; they become weak and  
sluggish and fail to eliminate the  
uric acid which keeps accumulating  
and circulating thru the system,  
eventually settling in the joints and  
muscles causing stiffness, soreness  
and pain called rheumatism.

At the first twinge of rheumatism  
get from any pharmacy about four  
ounces of Jad Salts; put a tablespoon-  
ful in a glass of water, and drink be-  
fore breakfast each morning for a  
week. This is said to eliminate uric  
acid by stimulating the kidneys to  
normal action, thus ridding the blood  
of these impurities.

Jad Salts is inexpensive, harmless  
and is made from the acid of grapes  
and lemon juice, combined with lith-  
ia and is used with excellent results  
by thousands of folks who are sub-  
ject to rheumatism.—Adv.

## IT'S A POOR DOCTOR Who Won't Take His Own Medicine

THAT'S WHY WE ARE USING THIS SPACE TO TELL YOU  
WHAT JOLLY LITTLE BUSINESS STIMULATORS HERALD  
WANT ADS ARE—AND WHY THEY GET RESULTS

THERE IS NO GUESSWORK about a Herald Want Ad. They  
do the business. We know they pay. Our customers have  
told us so time and again. We have used them ourselves and  
they have never failed to get results. They are the short cut to a  
quick turn-over—the modern method of merchandising on a small  
scale, where the value of the article to be sold or the importance of  
the want to be filled will not justify a heavy outlay.

If you had something to sell, trade or give away and went out  
on the street and told each person you met about what you wanted  
to do, you might get results—but the people you talked to would  
be very likely to say: "That poor fish has bats in his belfry." If,  
on the other hand, you used a Want Ad, you would talk to the  
whole county at once, instead of only one person, and do it in a  
businesslike manner.

The same rule applies to hiring help, renting a house, looking  
for a job, or any one of the important little incidents of life where  
you must call in the assistance of someone outside your immediate  
family. You MIGHT get results by telling your troubles to the  
neighbors—but the certain, quick and economical way is to use  
a little classified ad.

Do you want to buy, sell or trade, want to hire help or find  
work; do you want to find a room, a house to rent, or to rent the  
same to someone else; do you want to call attention to some new  
feature of your business, seek information on some subject, or  
have you any little unfilled want?
