EIGHTEEN LOSE LIVES IN STATE LAST SEASON

SALEM, May 29.—Harvey Wells, state fire warden, has completed his annual report to the governor for the year ending March 31, and shows that the total fire losses paid during the year amounted to $1,529,111.20. This amount represented 1956 claims and insurance at risk of $14,471. During the year 18 persons lost their lives as a result of fires outside the city of Portland. Of this total 4 were men, 3 women and 11 children.

In amount of losses paid Columbia county leads all others with $312,314.22, Multnomah being next with paid losses of $276,634.25. The loss in Columbia county was swollen by the destruction of the mill of the Columbia River Lumber company, which carried $150,000 insurance on a valuation of $300,000. In Multnomah county 216 claims were presented, while the next highest was Marion county with 87.

Most claims came from the destruction of dwellings and contents, 942 in number, of risk was $1,578,668.05 and losses paid $528,136.12. The most common cause of fires was rubbish and sparks, while overheating of defective chimneys was second, and matches or careless smoking third out of 14 causes listed.

The department's investigations over the state resulted in the discovery of 1955 fires where defects were present. The most common of which were chimneys in bad repair. Three hundred places were found where gasoline was permitted and where the temperature exceeded 140° F. Besides the above 2 cases of Repeat Risk Burning and Dead Man Cases were made. Reports to the Board of Fire Insurance Commissioners are pro-German in character, and are believed to be of great value.

PHYSICALLY FIT AT ANY AGE

It isn't age, it's careless living that puts men "down and out." Keep your internal organs in good condition and you will always be physically fit.

The kidneys are the most overworked organs in the human body. When they break down under the strain and the deadly uric acid accumulates and crystallizes look out! These sharp crystals tear and scratch the delicate urinary channels causing excruciating pain and set up irritations which may cause premature decay and often do turn into deadly Bright's Disease.

One of the first warnings of sluggish kidney action is pain or stiffness in the small of the back, loss of appetite, indigestion or rheumatism.

Do not wait until the danger is upon you. At the first indication of trouble go after the cause at once. Get a trial box of GOLD MEDAL Haarlem Oil Capsules, imported direct from the laboratories in Holland. They will give almost immediate relief. If for any reason they should not, your money will be refunded. But be sure to get GOLD MEDAL. None other is genuine.

Sheffield Tea Sets

When tea is correctly served it is poured from a silver pot. The cream, sugar and the lemon, in turn, come from silver receptacles.

Sheffield tea sets are popular because of their beauty, great durability and sensible prices.

A Sheffield silver tea set makes a splendid wedding present.
