Memorial Day

THIS YEAR, especially, is this day filled with new memories—for to the roll call of those who gave their lives for democracy in '61, is added another list—of our heroes of the World-War.

Alike in ideals, patriotism and self-sacrifice, they represent the American spirit in the truest sense of the word.

In due reverence to our fallen soldiers, we lay aside all other thoughts for the day and pay homage to those who gave their lives for our country.
