WELL MADE tires or shoes and inner tubes are literally the FOUNDATIONS of automobile pleasure and especially of automobile PLEASURE. Automobile extravagance is based often on the buying of tires and tubes without character than on any other department of automobile.

The well-made tire represents actual CASH INVESTED. It has its fixed value, and does not let anybody persuade you to the contrary.

Beware of a dealer who tells you that he can sell you "this tire cheaper and just as good." It has no name on it that you ever heard of before. "But it is made by a big factory," says the dealer, "and they sell it to me cheaper."

Such talk is misrepresentation and cheating. A first-class watch has the first-class maker's NAME on it. Real gold is MARKED real gold.

And the good automobile tire and tube are stamped with a name that means something.

At the Theaters

Charles Ray has been seen in many amusing pictures produced by Thomas H. Ince and in every case he has given screen patrons signal satisfaction. His next appearance will be in "The Claws of the Hun" at the Star Theatre which has announced the production for tonight.

This is a war picture but it is about the happenings in our own country. The plotters of the autocrat of Berlin try to extend their dominions to a great munitions plant and are thwarted by a youth who has been called a slacker because he believes he has not answered the call of his conscience and come to the front.

A powerful and gripping dramatic production "Modern Tragedy" (Theater) "Waldhall" (Theater) presented by the producers Mulvihill is produced in a grandly effective manner.

Stephen Deane, characteristically a well known business man, has a part of strange character with an amount of the incident, which is "The Claws of the Hun" (Theater) "Waldhall" (Theater) presented by the producers Mulvihill is produced in a grandly effective manner.

Then the photographer follows him, and the camera men had come before him and the camera. Rising from his chair, he seizes the weapon against his breast and pulls the trigger. A bullet enters the brain, a cramped heap. His wife rushes into the room and kneels beside his body. He hears her saying "Oh, my, my!" Who will you do for a second world take his own life?

FOLKS are a heap like tobacco. That's hot-headed, bitey folks. That's flat, uninterestin' folks. An' then that's folks like Velvet—mild, but hearty an' fren'ly, too.

Velvet Joe

"Friendly" is a very good word to describe the positively pleasing quality that sets VELVET tobacco apart.

There is that indescribable something about VELVET that is associated in men's minds with the thought of a friend.

It is a satisfying smoke—never harsh; without a bite. Like a friend it "agrees" with you no matter how much you use it.

Long, patient ageing—in wooden hogsheads—does it. Friend his must ripen slowly. Used tobacco the same way. An army of men have learned this through VELVET.

Today is a good time to get a bit of comfort out of a pipeful of friendly VELVET.

Thousands of soldiers, marines and sailors know Miss Helen Colley of Philadelphia. But they know her better as the "Song in Your Heart

Girl." When she returned recently she brought with her a unique souvenir—a scarf bearing the insignia of every division and lesser unit she had helped to entertain.
